The Book of the 19th Century. THIRTY YEARS VIEW:

Or, The History of the Working OF THE AMERICAN GOVERNMENT FOR THIRTY YEARS.

BY THOS. H. BENTON 110 be published by Subscription in two large 8vo volumes, double column, each to contain 700 pages. The 1st volume will be ready on the 20th of April, and will be embellished with a steel

plate portrait of SENATOR BENTON. During the last thirty years there has been no important public measure in which this active and distinguished Statesman has not taken an able and decisive part, and been familiar with the influences, whether secret or public, which have urged forward or opposed each. And now at the decline of a long and eventful life, he pens for future generations his lessons of wisdom, and presents them W. with his experience in such a manner as to illustrate, with great clearness and force, the practical working of our novel system of Government. Since the announcement of the above work as n press, the greatest desire has existed amongst parties to secure copies of the work.

The words Whig and Democrat are lost sight of. and from the representations which the publishers receive, there are fully as many subscribers of one party as the other. All unite in believing that the Chronicles of the United States for the past thirty years" could not be in better hands. Although the work has been but a short time announced, yet the subscription list has already reached the very large number of 35,000 copies. It is confidently believed that a sale of more than four times that number may be expected, as no American, whether engaged in Political, Mercantile, or Rural pursuits, can fail to purchase this work.

CANVASSING AGENTS who have already engaged in disseminating it, have number to an Old Fogy's Extra, -their object bemet with most extraordinary success. Canvassers are wanted in every part of the State of North Carolina, excepting in the following counties : Beaufort, Bertie, Chowan, Creven, Edgecombe, Granville, Greene, Martin, l'itt, Tyrrel, Washington and Wayne, are still wanting Canvassers. Respectable men, who can furnish good references as to ability and character, will be en gaged on application to the Publishers. Applicants store and for sale by for Agencies should be particular to state what counties they desire. D. APPLETON & CO,
