SHOCCO SPRINGS. WARREN COUNTY, N. C.

HIS long established and justly celebrated watering place, having been purchased by the proprietors, will be opened on the 20th of June under the superintendence of Mr. James Gresham and lady, well known to the travelling community for their efficiency and politeness. The whole establishment has been repaired and refitted in a manner to please the most fastidious, and every arrangement made to gratify the taste and contribute to the comfort of all who may visit. Our Tables and Bar shall at all times and under all circumstances be superior to any heretofore known | Hussky's Reaping Machine, in the South; for we have made arrangements in Petersburg, Norfolk, and Baltimore to be sup-

plied with the luxuries of the season. from the Warrenton Depot, where Wilson t. Phillips' large and comfortable Omnibuses, with fine Teams, Hacks and Baggage Wagons, will always be in readiness to convey company in two hours.

A superior Band of Music will be constantly in attendance during the season for the entertainment of our guests, and a Billiard Table and Bowling Alley for their recreation. The beautiful scenery, agreeable and inviting shades, pure atmosphere and refined society at and around Shocco Springs are proverbial and need no comment. -The following is an analysis of the waters made by Prof. Stewart of Baltimore:

Epsom Salts, Sulphate | Carbonate of Potash, of Magnesia. Hydrechlorate of Pot-Carbonate of Magnesia, Muriate of Maguesia, Sulphate of Potash, Hydrosulphate of Lime Sulphurerted Hydrogen Free in solution, Hy irosu phate of Soda | Carbonic Acid. and Sulphate of Soda,

In addition to these waters, whose virtues have been tested for upwards of half a century, the Red Sulphur Springs on the land ot Mr. Whitmel H. A. Kearney, heretofore resorted to from Shocco, will through his kind generosity again be opened for the accommodation of our guests.
