Tables and Bar shall at all times and under all circumstances be superior to any heretofore known in the South; for we have made arrangements in Petersburg, Norfolk, and Baltimore to be supplied with the luxuries of the season. Shocco Springs are distant twelve miles south from the Warrenton Depot, where Wilson & Phillips' large and comfortable Omnibuses, with fine Teams, Hacks and Baggage Wagons, will always

be in readiness to convey company in two hours. A superior Band of Music will be constantly in attendance during the season for the entertainment of our guests, and a Billiard Table and Bowling Alley for their recreation. The beautiful scenery, agreeable and inviting shades, pure atmosphere and refined society at and around Shocco Springs are proverbial and need no comment. -The following is an analysis of the waters made by Pref. Stewart of Baltimore:

Hydrosulphate of Soda Carbonic Acid. and Sulphate of Soda, In addition to these waters, whose virtues have been tested for upwards of half a century, the Red Sulphur Springs on the land of Mr. Whitmel H. A. Kearney, heretofore resorted to from Shocco, will through his kind generosity again be openwithin a pleasant ride over a good road and are considered highly efficacious in many diseases.
