## FOR SALE! THAT VALUABLE PROPERTY,

In the City of Raleigh. KNOWN AS GUION'S HOTEL.

Tally virtue of sundry Deeds of Trust made by E. P. Guion, we, the Trustees, will sell at Public Sale, on Wednesday the 20th of September next, ble property, together with the furniture, consisting of everything necessary to carry the business immediately on without trouble.

This property is so well known, that a full description is not thought necessary. Any person desirous of purchasing will no doubt examine the property himself.

The Hotel is most desirably and pleasantly situated on the north side of the Capitol Square, and near the Raleigh and Gaston Depot. The beautiful Capitol Square alone parts it from the business portion of the City, giving all the advantages of the City as well as the quiet of a private residence. Besides, it is free from the dust and heat of the business streets.

The Hotel contains forty-seven rooms, besides stables and out houses. The lot contains two acres in a square to itself, with a street all round. The Hotel is doing a successful business. A person having capital to enlarge the front building, may command nearly all the business of the City.

The purchaser will have the advantage of a large business from the State Fair in October next; also from the Legislature, which commences in November

At the same time, we will sell TWO SLAVES, and one TRACT OF LAND, lying on the north side of the Hillsboro' road, two miles from Raleigh, containing ONE HUNDRED AND FIFTY ACRES. This land has been considerably improved, and would make a pleasant place for a residence; we will also sell one other tract of wood land, containing about one hundred and fifty acres, lying on the south of the Hillsboro' road, three and a half miles from Raleigh Also, one Omnibus, and all things contained on said lands.

TERMs made known on the day of sale. The Hotel can be purchased at private sale, by applying to E. P. Guion, on the premises. S. W. WHITING JULIUS GUION.

ARRIAGES have become so fashionable that it has been predicted by some, if war should ever visit our shores again, they would be tested even then, for the purpose of dealing out death into the ranks of our enemy. Whether or not, however, I am determined that my establishment shall be well represented in the way of Coaches, four and six passenger Rockaways, taper, patent and half patent axle Buggies, with and without tops,

and Sulkies of superior finish. My stock at present consists of a general assortment of the above named Vehicles. After having a life time experience in the business, and keeping no body in my employ but the best workmen the country can afford. I deem it unnecessary to say anything in its behalf, for it requires nothing but a gampse at it to satisfy any man it is

capable of doing its own puffing.

Persons wanting a Carriage who cannot con veniently come to my establishment, can have it sent to their house for inspection, if desired. Old work will be taken in exchange for new, at

reasonable prices. I also keep on hand HARNESS of all qualities; the principal part of which is put up under my own supervision. I ask nothing but a trial to insure satisfaction, for my prices will be as moderate as the times will admit of, while my work will contribute a pleasure to the eye, comfort and ease to the body, and delight to the mind.
