THE CABIN BOY'S STORY Semi-Nautical Romance of intense interest. A by the Author of the "Pirate Doctor," the "Lawyer's Story," the "Old Doctor," &c., &c.

The success hitherto enjoyed by the author of the above popular works is a sufficient guarantee ented pirvileges, are still sold at, of the favor with which any productions coming from his pen will be received by the public. "The Cabin Boy's Story" is a romantic narrative, illustrating the horrors of the Slave Trade, as carried on in the Coast of Africa. The author has served in the Navy-and the descriptions and characters are painted from personal acquaintance with them. The story is as full of exciting interest and adven ture as the celebrated work of Defoe, "Robinson Crusoe," and has the advantage over that glorious fiction, inasmuch as it is founded on facts of every day occurrence. The history of the heroine of the Story, Zuicika, the Circassian Slave purchased at Constantinople, educated and married by the reckless, yet chivalric. Seymour, the commander of the Albatross, is simply the narration of a fact painted from the life, and all the numerous characters portrayed throughout the story are vividly

and graphically drawn. The publishers have already received orders for the whole of the edition it was originally their intention to publish; consequently, they have been obliged largely to increase it; and they respectfuly request that all orders may be sent in immedi-

They confidently expect that the work will create as much interest as any work of fiction that has of late years emanated from the press, as notwithstanding, since the publication of "Uncle Tom's Cabin," works relating to slavery in America, PRO and cox, have been numerous, none have appeared having relation to the system of purchasing siaves on the African Coast, written by one who has witnessed it in all its hid ous deformity. The work is written in chaste and pure language, and will be a wellome and instructive addition to the family library.

The work will form a beautiful octavo volume of 400 pages, handsomely illustrated with fine engravings, and elegantly bound in cloth. Price. in cloth, one dollar : in paper, 75 cents, at which rate copies will be sent by the publishers to any part of the country, free of postage. For sale wholesale and retail by the pub-
