Once, Twice, Going!

"OT at public, but at private sale, if early ap plication be made to me at Raleigh or upon be premises, the most beautiful and undoubtedly nesitar Cottage Farm in Wake county; with great ababilities for profit. It is within two and a half mies of the city of Raleigh, immediately in the lork of the Chapel Hill and Hillsboro' roads and within one hundred and fifty yards of the Central al Road ; combining every thing to reader it a ist charming family residence. The tract conins 131 acres of good, arable land, about 100 of such is in the original forest-the residue has en cleared within the last three years, liberally moured, handsomely and strongly enclosed and pt in a high state of cultivation. The Dwelling free is a strong two story, well built and tastely inced building, in modern style-it has six 18 tet square rooms, each with a fire place besides various airy Halls above and below stairs. Portis and every other convenience that heart can de . The out houses are numerous and well built and of every kind a well improved farm can require. ftere is a spacious Store House, and a Blacksmith shop upon the premises, where I have cartel on a very extensive business for the last twelve promounce it one of the best stands for a country or within my knowledge. The range for Catte Hogs and Sheep is very fine, and there is an than lance of fire wood and rail timber, and clay or brick making, upon the land. There is a most excellent well of water at the House and also she at the Store, and three everlasting springs up-

Ache premises. It's property being upon the great thoroughare of Western trade and travel, and of pleasure ties from the city, and the landscape charming, the amates never find it lonely, but are ever gladden-" by the moving panorama of busy life. I have a larger body of land farther from the city, which my interests require me to improve and occupy : therefore I will sell this property cheap and on tasy terms. This is a rare chance for any person vishing a bandsome, healthy, cheap and profitade family residence, all new and in good order a immediate enjoyment. The schools in the city tre convenient, being only a few minutes ride or Tak. This property would eminently suit a pubat officer, or a Physician desiring a good country practice, or a Merchant, wishing to be in the city "rery day, while adding to his thrift by avocations "home. To any person willing to keep a pri-"ate boarding house, carry on the mercantile busiare make brick for market, with or without a vell managed ma ket garden and dairy, for the "apply of the city, added to his farming operathis property would assuredly lead to forine Now's the day and now's the hour to since for the prize.

ASTONISHING CURE OF SORE LEGS. AFTER NINE YEARS STANDING. Copy of a Letter from Mr. J. W. Langley. of Huntsville, Yadkin County, North Carolina, U. S. dated November 1st. 1853.

READ HIS OWN WORDS. TO PROFESSOR HOLLOWAY, Sir :- It is not my wish to become notorious,

nether is this letter written for the mere sake of writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was inflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying ced. every medicine I had ever heard of, I resigned in

despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health to my agreeable surprise and delight, and to the astonishment of my friends. (Signed) W. J. LANGLEY

AN EXTRAORDINARY CURE OF A BAD BREAST, WHEN NEARLY AT THE POINT OF DEATH. Copy of a Letter from Mr. Durant, New Or leans, November 9th, 1853.

To PROFESSOR HOLLOWAY, 38, Corner of Ann and Nassau Streets, New York.

Dear Sir,-It is with heartfelt gratitude I have to inform you that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten running wounds, (not of a cancerous nature.) I was told that nothing could save her: she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Chartres-street, New Orleans. monthe with great success, and can, therefore, 1 send this from "Hotel des Princes," Paris, although I had written it at New Orleans, before we finally left, at that time, not knowing your address at New York.
