A CURE FOR ALL!

HOLLOWAY'S OINTMENT.
CITIZENS of the Union.—You have done me the honor as with one voice, from one end of the Union to the other, to stamp the character of my Ointment with your approbation. It is scarcely two years since I made it known among you, and almost in an instant it has obtained more celebrity than any other medicine in so short a time.

ASTONISHING CURE OF SORE LEGS,
AFTER NINE YEARS STANDING.
Copy of a Letter from Mr. J. H. Langley, of Huntsville, Yadda County, North Carolina, U. S. dated November 1st, 1853.

READ HIS OWN WORDS.
TO PROFESSOR HOLLOWAY.
Sir.—It is not my wish to become notorious, neither is it my wish to be written for in any newspaper; but to say that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was afflicted with one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned in despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused me my legs to heal, and I entirely regained my health to my agreeable surprise and delight, and to the astonishment of my friends. (Signed) W. J. LANGLEY.
AN EXTRAORDINARY CURE OF A BAD BRUISE, WHICH NEARLY AT THE POINT OF DEATH.
Copy of a Letter from Mr. Durant, New Orleans, Louisiana, November 9th, 1853.

TO PROFESSOR HOLLOWAY,
38, Cor. of Ann and Nassau streets, New York.

Dear Sir.—It is with heartfelt gratitude I have to inform you that the use of your Ointment, and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten running wounds, (not of a cancerous nature). I was told that nothing could save her; she was then in bed for three months, when I procured your perfect cure, to the astonishment of all who know us. We obtained your Medicines from Messrs. Wright & Co., Chartres-street, New Orleans. I send this from Hotel de France, Paris, where I and my wife have just returned. We are, finally left, at that time, not knowing your address at New York.

(Signed) R. DURANT.
The Pills should be used conjointly with the Ointment in most of the following cases:
Bad Breasts, Sore-throats, Stiff Joints, Lumbago, Sore-throats, Stiff Joints, Piles, Skin-diseases, Burns, Scalds, Rashes, Bruises, Salt Rheum, Sore-heads, Chills, Glandular Ulcers, Swellings, Sore-wounds, &c.

SINGER'S SEWING MACHINES.
WICH is the only Sewing Machine of any kind which can be used without making the owner liable to a suit, infringement of patented privileges, are still sold at

REASONABLE PRICES,
AND WITH
UNQUESTIONED RIGHT.

Having terminated our legal controversy with Elias Howe, Jr., and procured his full license to use his invention, there is not the slightest claim that our machines infringe any patent.

The rights to use the machines which we have sold, and shall hereafter sell, is unquestionable. We own ten distinct patents of Sewing Machines, covering all the nice points of the invention, and all the machines of other manufacturers infringe one or more of them. Our patent securing the sewing whereby the cloth, &c., is fed into the feeding apparatus by a yielding pressure, is infringed by all the machines now offered in the market—Those who buy the inferior and practical machines, are hereby distinctly apprised that we shall continue to pay to the inventor for the privilege of using them. Our legal rights will henceforth be rigidly enforced.

THE IMMENSE SUPERIORITY
of Singer's Sewing Machines has been completely established. They are of universal application—the same machine doing all kinds of work, and doing it perfectly. They are not only superior in construction, but unequalled in mechanical finish. They perform all work required and continue to do it without getting out of order. We desire to call attention particularly to our new

MACHINES TOSEW WITH A SINGLE THREAD which by ample trials have been proved superior to all others for stitching linen and all very thin fabrics—also for sewing leather with a waxed thread or silk—and for quilting linings—We are also prepared to exhibit and sell embroidery machines, producing an entirely new and very beautiful result. Machines of extra size, both shuttle and single thread, may be had for a small difference in price. They are found to be very popular. Machines for hat binding, stitching carpet bag handles, and any other peculiar work, will be supplied at short notice.

Three Cord Linen Thread, and all other articles used with Sewing Machines, always on hand and for sale at our office.
