IMPORTANT TO MILLERS AND MILL OWNERS. THIS Machine received the first premium at the North Carolina State Fair, and was recommended to the public as the best now in use in the State. Seven Hundred of them are now running in North Carolina, all of which are now in operation and have given the most entire satisfaction, in regard both to performance and durability, some having run six years and perform as well now as they did at first, and have not been out of order one day. We have thrown out ten different smut Machines to make room for this. They are warranted for five years, and delivered at the Mill any where in the state. Manufactured and sold JNO. A. McMANNEN.

D. W. GOURTS,

Pub. Tr. of N. Carolina September 22, 1854. td-77 STATE AGRICULTURAL FAIR. AT RALEIGH, OCTOBER, 1654.

TO my friends and patrons, who intend visiting Raleigh in October, to attend the Fair, and to buy their supply of Winter Garments: The Clothing Trade at the present time is attracting considerable attention in the Mercantile World, and every year more capital is being employed; and when we consider the amount of Clo-thing manufactured, we cannot but be surprised to

know that so few manufacturers pay particular attention to getting up their Stock in good taste, and having their goods well made. We believe from our experience in business that too much care and attention cannot be given to the manufacturing of Clothing; consequently we pay the best prices for all kinds of work done; and af-ter having under daily training for years certain hands, it is but reasonable to suppose that we can offer for sale the best made Clothing in the State. We shall have, therefore, on exhibition, during Fair week, at our Store, the most beautiful Stock

session. They will be exclusively engaged in the Baldwin, of Wilmington, not excepted! of Ready-made Clothing in the State-Scott Fayetteville St., Raleigh, N. C.
