READ HIS OWN WORDS. TO PROFESSOR HOLLOWAY, Sir :- It is not my wish to become notorious. nether is this letter written for the mere sake of writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by AVING secured the services of a highly ac. all who knew me, to be entirely beyond the reach complished workman in this department of of medicine. To PROFESSOR HOLLOWAY, 38, Corner of Ann and Nassau Streets, New York.

Dear Sir,-It is with heartfelt gratitude I have to inform you that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten running wounds, (not of a cancerous nature.) I was told that nothing could save her: she was then in-duced to use your Ointraent and Pills, when in the short space of three months, they effected a GEORGE W. McGLAUGHON.

TO THE PUBLIC .- The subscriber is pleased to inform the public that his CHOLERA AND DIARRHIEA MEDICINE affords more prompt relief in the various affections of the Bowels, and consequently more satisfactory to all who have used it, than any other Medicine ever offered to the public. The following are among many testimonials of its efficacy .

DR. R. H. WORTHINGTON-DEAR SIR: I take much pleasure in adding my testimony to others in favor of your remedy for Bowel Affections, &c., having so frequently experienced its beneficial results in my own case, as well as in many others to whom I have given it. I carried a bottle of it with me to Baltimore, (and here permit me to say I would as soon think of travelling without money, as without this remedy) and finding many smong my acquaintances there who were suffering with various forms of Bowel Affections, I gave it freely, and in NO INSTANCE did it fail to afford the NOW PROMPT AND DECIDED BELIEF as it has done bere. I congratulate you, and especially the public, on the discovery of a medicine wittoh is better calculated to protect mankind and alleviate suffering

than any other ever brought before the people. L. T. SPIERS. This is to certify then some weeks back, I was taken with a violent Dierrhosa, which persisted for ight days. Being some sixty miles from home. I made use of all the remedies I could think of, but without affording any relief. On arriving at home, I was informed that Dr. R. H. Worthington

had prepared a remedy for Cholers, &c., and was advised to use it. I did so, and to my astonishment, one single dose gave speedy and permanent relief, since which time I have used it frequently in my family; and, in justice to the Doctor, say I consider it MUCH THE MOST VALUABLE MEDICINE I have used in an experience of twenty years. F. M CAPEHART. Murfreesboro,' N. C.; Oct 2, 1864.

DR. WORTHINGTON-DEAR SIR: I take great pleasure in recommending your Cholera Medicine to the public and more especially since I have had

personal experience and observation of its beneficial effects. I have tried several remodies put up for Cholera. &c., but have never found such happy results from any as from your invaluable remody. I have such unbounded confidence in its efficacy, that I

supply with me; and I regard it as one of the most surprise and delight, and to the astonishment of my friends. (Signed) W. J. LANGLEH AN EXTRAORDINARY CURE OF A BAD WINDSOR, N. C., Sept 19, 1854. DR. R. H. WORTHINGTON-Dear Sir I have made some effort, and have succeeded in introdu-

cing your Medicine to the public, and I find it is taking very well indeed ; and the result is, that I have nearly sold what you sent me. I there-

fore, wish you would send me some more as soon as you can. \* \* I have not the slightest doubt but that this Medicine is the very best remedy out for the disease for which it is recommend-
