HOLLOWAY'S OINTMENT. ITIZENS OF THE UNION,-You have done me / the honour as with one voice, from one end of the Union to the other, to stamp the character of my Ointment with your approbation. It is scarce and already, it has obtained more celebrity than any other medicine in so short a period. THOMAS HOLLOWAY. 38, Cor. of Ann and Nassau streets, New York.

ASTONISHING CURE OF SORE LEGS. AFTER NINE YEARS STANDING. Copy of a Letter from Mr. J. W. Langley, of Huntsville, Yadkin County, North Carolina, U. S. dated November 1st. 1853. READ HIS OWN. WORDS.

To PROFESSOR HOLLOWAY, Sir:-It is not my wish to become notorious, nether is this letter written for the mere sake of writing, but to say, that your Ointment cured me

of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by every medicine I had ever heard of, I resigned in despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health to my agreeable surprise and delight, and to the astonishment of my friends. (Signed) W. J. LANGLEY. AN EXTRAORDINARY CURE OF A BAD BREAST, WHEN NEARLY AT THE

POINT OF DEATH. Copy of a Letter from Mr. Durant, New Or leans, November 9th, 1853. To PROFESSOR HOLLOWAY, 88, Corner of Ann and

Dear Sir,-It is with heartfelt gratitude I have

duced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs. Wright & Co., of Chartres-street New Orleans

TO THE PUBLIC .- The subscriber is pleased to inform the public that his CHOLERA AND DIARRHEA MEDICINE affords more prompt relief in the various affections of the Bowels, and consequently more satisfactory to all who have used it, than any other Medicine ever offered to the public. The following are among many testimonials of its efficacy .

DR. R. H. WORTHINGTON-DEAR SIR: I take much pleasure in adding my testimony to others in favor of your remedy for Bowel Affections, &c., having so frequently experienced its beneficial results in my own case, as well as in many others to whom I have given it. I carried a bottle of it with me to Baltimore, (and here permit me to say I would as soon think of travelling without money as without this remedy) and finding many among my acquaintances there who were suffering with various forms of Bowel Affections, I gave it freely, and in NO INSTANCE did it fail to afford the MOST PRONPT AND DECIDED RELIEF as it has done here. I congratulate you, and especially the public, on the discovery of a medicine which is better calcu-

lated to protect mankind and alleviate suffering than any other ever brought before the people. L. T. SPIERS.

This is to certify that, some weeks back, I was taken with a violent Diarrheea, which persisted for eight days. Being some sixty miles from home I made use of all the remadies I could think of, but without affording any relief. On arriving at home, I was informed that Dr. B. H. Worthington had prepared a remedy for Cholera, &c., and was advised to use it. I did so, and to my astonishment, one single dose gave speedy and permanent relief, since which time I have used it frequently in my family ; and, in justice to the Doctor, say consider it much the most valuable medicine I

have used in an experience of twenty years. F. M. CAPEHART. Murfreesboro,' N. C.; Oct. 2, 1854.

DR. WORTHINGTON-DEAR SIR: I take great Chas. 1. pleasure in recommending your Cholers Medicine Routhac, and Goorge W. Haywood, Bage., Raleigh, to the public and more especially since I have had personal experience and observation of its benefi-Aug. 25. 10 H. 69 cial effects. I have tried several remedies put up for Cholera,

&c., but have never found such happy results from any as from your invaluable remedy. I have such unbounded confidence in its efficacy, that 1 am unwilling and will not leave home without a supply with me; and I regard it as one of the most valuable discoveries of the age. Yours, very truly, W. P. BEAMAN,

ST. ANTHONY FALLS, MINNESOTA COLLECTIONS, made and proceeds promptly

remitted at current rates of Exchange. Landed investments, made for Southern and Eastern capitalists, that will nett FIFTY and Sav-ENTY FIVE per cent, per anumn and often more. The immense immigration, the rapid rise of real Estate, and our intimate acquaintance with

the Country, enable us to make investments, that will nearly, or quite, double in value, every year for the next ten years.

A few thousand Dellars now invested will soon become tens of thousands. How can money be so safely and so profitably invested ? Land in the vicinity of new and thriving Villages can now be bought for 3, 4 and \$5, per acre, that in a few years will be worth ten times the amount. Many of the fortunes of the North have been made by the rise of Real Estate, and those that have the means and foresight to purchase when lands are so cheap will make fortunes.

Satisfactory references given. For further particulars address TRACY & FARNHAM. St. Anthony Falls.
