AFTER NINE YEARS STANDING. Copy of a Letter from Mr. J. W. Langley, of Huntsville, Yadkin County, North Carolina, U. S. dated November 1st. 1853. READ HIS OWN WORDS.

To PROVESSOE HOLLOWAY, Sir :---It is not my wish to become notorious, nether is this letter written for the mere sake of

writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by all who knew me, to be entirely beyond the reach of medicine. For nine years I was inflicted with business, I shall be able to give the most entire one of the most painful and troublesome sore legs that ever fell to the lot of man; and after trying every medicine I had ever heard of, I resigned in despair all hope of being cured; but a friend brought me a couple of large pots of your Ointment, which caused the sores on my legs to heal, and I entirely regained my health to my agreeable surprise and delight, and to the astonishment of my friends. (Signed) W. J. LANGLEY, AN EXTRAORDINARY CURE OF A BAD

BREAST, WHEN NEARLY AT THE POINT OF DEATH. Copy of a Letter from Mr. Durant, New Or leans, November 9th, 1853. To PROFESSOR HOLLOWAY, 38, Corner of Ann and

Nassau Streets, New York. Dear Sir,-It is with heartfelt gratitude I have

inform you that by the use of your Ointment and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten runhing wounds, (not of a cancerous nature.) I was told that nothing could save her: she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astonishment of all who knew us. We obtained your Medicines from Messrs.

CITY OF RALEIGH, SATURDAY MORNING, JANUARY 20, 1855.

TO THE PUBLIC .- The subscriber is pleased to inform the public that his CHOLERA AND DTARBHCA MEDICINE affords more prompt relief in the various affections of the Bowels, and consequently more satisfactory to all who have used it, than any other Medicine ever offered to the public. The following are among many testi-

monials of its officacy . DR. R. H. WORTHINGTON-DRAR SIR: I take much pleasure in adding my testimony to others in favor of your remedy for Bowel Affections, &c., having so frequently experienced its beneficial results in my own case, as well as in many others to whom I have given it. I carried a bottle of it with me to Baltimore, (and here permit me to say I would as soon think of travelling without money as without this remedy) and finding many among my acquaintances there who were suffering with various forms of Bowel Affections, I gave it freely, and in NO INSTANCE did it fail to afford the MOST PROMPT AND DECIDED RELIEF as it has done here. I congratulate you, and especially the public, on the discovery of a medicine which is better calcu-

lated to protect mankind and alleviate suffering than any other ever brought before the people. L. T. SPIERS.

This is to certify that, some weeks back, I was taken with a violent Diarchers, which persisted for eight days. Being some sixty miles from home, made use of all the remedies'I could think of, but without affording any relief. On arriving at home, I was informed that Dr. B. H. Worthington had prepared a remedy for Cholers, &c., and was advised to use it. I did so, and to my astonish-

ment, one single dose gave speedy and permanent relief, since which time I have used it frequently in my family ; and, in justice to the Doctor, say consider it MUCH THE MOST VALUABLE MEDICINE have used in an experience of twenty years.

F. M CAPEHART. Murfreesboro,' N. C.; Oct. 2, 1854.

DR. WORTHINGTON-DEAR SIR: I take great pleasure in recommending your Cholera Medicine to the public and more especially since I have had personal experience and observation of its beneficial effects.

I have triedseveral remadies put up for Cholera, ac., but have never found such happy results from any as from your invaluable remedy. I have such unbounded confidence in its efficacy, that I am unwilling and will not leave home without a supply with me; and I regard it as one of the most valuable discoveries of the age. Yours, very truly, W. P. BEAMAN.

WINDSOR, N. C., Sept. 19, 1854.

DR. R. H. WORTHINGTON--Dear Sir. 1 have nade some effort, and have succeeded in introducing your Medicine to the public, and I find it is taking very well indeed; and the result is, that have nearly sold what you sent me. I therefore, wish you would send me some more as soon as you can. * * * I have not the slightest doubt but that this Medicine is the very best remedy out for the disease for which it is recommended. I hope you will soon send me a supply, as I would not like to get entirely out of it. Yours, truly, GEORGE W. McGLAUGHON.

Notice. TAVING bought out Mr. M. Einstein, I shall heretofore, in my own name and account

often heard our late friend, Dr. Wm. R. Soott, with whom you were associated in business, speak of your full and correct knowledge of the theory of Dental Surgery, and express his great satisfaction with the operations and work which, during

the present year, you performed under his eye. I know he was perfectly willing to leave the of-fice under your charge, and looked forward to the day when he should retire from the practice of his profession and leave you his successor. I hope you will continue the business, as I feel confident that you will give entire satisfaction to

all who may require your services. Very respectfully, WM. J. CLARKE.

ST. ANTHONY FALLS. MINNESOTA COLLECTIONS, made and proceeds promptly remitted at current rates of Exchange.

Landed investments, made for Southern and Eastern capitalists, that will nett FIFTY and Sav-ENTY FIVE per cent, per snumn and often more. The immense immigration, the rapid rise of real Estate, and our intimate acquaintance with the Country, enable us to make investments, that

will nearly, or quite, double in value, every year for the next ten years. A few thousand Dollars new invested will soon become tens of thousands. How can money be so

safely and so profitably invested ? Land in the vicinity of new and thriving Vil-

lages can now be bought for 3, 4 and \$5, per scre, that in a few years will be worth ten time the amount. Many of the fortunes of the North have been made by the rise of Real Estate, and those that have the means and foresight to purchase when lauds are so cheap will make fortunes.

Satisfactory references given. For further particulars address
