TO THE PUBLIC .- The subscriber is pleased to inform the public that his CHOLERA AND DIARRHORA MEDICINE affords more prompt relief in the various affections of the Bowels, and consequently more satisfactory to all who have used it, than any other Medicine ever offered to the public. The following are among many testi-

monials of its efficacy . DR. R. H. WORTHINGTON-DRAR SIR: I take much pleasure in adding my testimony to others in favor of your remedy for Bowel Affections, &c., having so frequently experienced its beneficial results in my own case, as well as in many others to whom I have given it. I carried a bott e of it with me to Baltimore, (and here permit me to say I would as soon think of traveiling without money as without this remedy) and finding many among my acquaintances there who were suffering with various forms of Bowel Affections, I gave it freely, and in so INSTANCE did it fall to afford the Most PROMPT AND DECIDED RELIEF as it has done here. congratulate yed, and especially the public, on the disorrery of a medicine which is better calculated to protect mankind and alleviate suffering than any other ever brought before the people.

L. T. SPIERS.

This is to certify that, some weeks back, I was taken with a violent Diarehoa, which persisted for eight days. Being some sixty miles from home. I made use of all the remedies'l could think of, but without affording any relief. On arriving at home, I was informed that Dr. R. H. Worthington had prepared a remedy for Cholera, &c., and was advised to use it. I did so, and to my astonishment, one single dose gave speedy and permanent relief, since which time I have used it frequently in my family; and, is justice to the Doctor, say consider it much the most valuable medicine I have used in an experience of twenty years. F. M. CAPEHART.

Murfreesborg,' N. C.; Oct. 2, 1804. DR. WORTHINGTON-DEAR SIE: I take great pleasure in recommending your Cholera Medicine to the public and more especially since I have had personal experience and observation of its benefi-

cial effects. I have tried several remedies put up for Cholera, &c., but have never found such happy results from any as from your invaluable remedy. I have such unbounded confidence in its efficacy, that I am unwilling and will not leave home without a supply with me; and I regard it as one of the most valuable discoveries of the age. Yours, very truly, W. P. BEAMAN.

WINDSOR, N. C., Sept. 19, 1854. Dr. R. H. WORTHINGTON-Dear Sir. I have made some effort, and have succeeded in introducing your Medicine to the public, and I find it is taking very well indeed; and the result is, that I have nearly sold what you sent me. I. therefore, wish you would send me some more as soon as you can. * * * I have not the slightest doubt but that this Medicine is the very best remedy out for the disease for which it is recommend-

Yours, truly, GEORGE W. McGLAUGHON.

Massas. Editors In looking over the last number of the Gazette, I found a communication from our friend, Mr. L. P. Spiers, rcommending Dr. R. H. Worthington's Cholers Mixture to the public, for the cure of diarrhoes, dysentery, and other kindred diseases Having experience in my own case, the happy effects of its use, as well as other members of my family, I can safely say that I regard it superior to any remedy we have ever used, in an experience of twenty years. I would, therefore, recommend it to every family as an invaluable remedy, and every individual to procure a bottle and keep it by them in these times of cholera. R. R. PARKER. Murfreesboro, Aug. 30th, 1864.

This is to certify that I have used Dr. R. H. Worthington's Cholora medicine in my family for the last four or five weeks, in several cases of a negro child, some four or five months old, who was so emaciated by the effects of the disease, that | bies, India Rubber and Tin Toys, &c., &c. its life was nearly despaired of, when my wife happened to think that she would try the Cholera Medicine, and did so with complete success in less than forty-eight hours. - I am throughly of opinion that no family should be without so fine a medicine Given under my hand, this 3rd day of October,

Dr. R. H. Worthington. It affords us pleasure to say that we have used your Cholera Diarrhosa medicine for the last twelve months, and have found it invariably successful, in relieving speedily the cases in which we have had occasion to use it. We entertain a high appreciation of its value, and have no hesitation in expressing the opinion that it will prove to be a valuable Tamily medicine.
