To PROTESSOR HOLLOWAY, Sir :- It is not my with to become notorious, nether is this letter written for the more sake of

writing, but to say, that your Ointment cured me of one of the most dreadful cutaneous diseases that flesh is heir to, and which was considered by AVING secured the services of a highly ac-complished workman in this department of medicine. For nine years I was inflicted with

> despair all hope of being cured; but a friend brought me a couple of large pots of your Oint-ment, which caused the sores on my legs to heal, and I entirely regained my health to my agreeable surprise and delight, and to the astonishment of my friends. To PROFESSOR HOLLOWAY, 38, Corner of Ann and Nassau Streets, New York. Dear Sir,-It is with heartfelt gratitude I have inform you that by the use of your Ointment

and Pills, the life of my wife has been saved. For seven years she had a bad breast, with ten running wounds, (not of a cancerous nature.) I was told that nothing could save her: she was then induced to use your Ointment and Pills, when in the short space of three months, they effected a perfect cure, to the astoniahment of all who knew

us. We obtained your Medicines from Messers.

CITY OF RALEIGH, SATURDAY MORNING, FEBRUARY 94, 1855.

TNO THE PUBLIC .- The subscriber is pleased to inform the public that his CHOLERA AND DIARBHERA MEDICINE affords more prompt relief in the various affections of the Bowels, and consequently more satisfactory to all who have used it, than any other Medicine ever offered to the public. The following are smong many testi-monials of its efficacy.

DR. R. H. WORTHINGTON-DRAR SIR : I take much pleasure in adding my testimony to others in favor of your remedy for Bowel Affections, &c., having so frequently experienced its beneficial re-sults in my own case, as well as in many others to whom I have given it. I carried a bottle of it with me to Baltimore, (and here permit me to say I would as soon think of travelling without money as without this remedy) and finding many among my acquaintances there who were suffering with various forms of Bowel Affections, I gave it freely, and in No INSTANCE did it fail to afford the MOST PROMPT AND DECIDED RELIEF as it has done here. I congratulate you, and especially the public, on the discovery of a medicine which is better calcu-lated to protect mankind and alleviate suffering than any other over brought before the people. L. T. SFIERS,

This is to contify that, some wooks back, I was ten ulite a risione linerchan, which persisted for I made use of all the remoded I could think of, but without affording any relief. On serving at some, I was informed that Dr. R. H. Worthington had prepared a remody for Cholera, &d, and was and prepared a remedy for Cholers, &G, and was advised to use it. I did so, and to my astonish-ment, one single dose gave speedy and permanent relief, since which time I have used it frequently in my family; and, in justice to the Doctor, say I consider it such THE MOST VALUABLE SEDICIME I

have used in an experience of twenty years. F. M. CAPEHART. Murfreesboro,' N. C.; Oct. 2, 1854.

DR. WORTHINGTON-DEAR SIR: I take great pleasure in recommending your Cholers Medicine to the public and more especially since I have had personal experience and observation of its beneficial effects. I have tried several remedies put up for Cholera,

Ro., but have never found such happy results from any as from your invaluable remedy. I have such unbounded confidence in its effescy, that I am unwilling and will not leave home without a assortment of supply with me; and I regard it as one of the most valuable discoveries of the age. Yours, very truly, W. P. BEAMAN.

Windbaon, N. C., Sept. 19, 1854. DR. R. H. WORTHINGTON-Dear Sir. I have made some effort, and have succeeded in introdu-cing your Medicine to the public, and I find it is taking very well indeed ; and the result is, that I have hearly sold what you sent me. I there-fore, with you would send me some more as soon as you can. I have not the slightest doubt but that this Medicine is the very best reme-

dy out for the discase for which it is recommend-ed. I hope you will soon send me a supply, as I would not like to get entirely out of it. Yours, truly, GEORGE W. McGLAUGHON.

AYER'S PILLS,

A waw and singularly successful remedy for the A cure of all Bilious diseases - Costiveness, Indi-gestion, Jaundice, Dropsy, Rheumatism, Fevers, Gout, Humors, Nervousness, Irritability, Inflamma-tions, Headache, Pains in the Breast, Side, Back, and Limbs, Female Complaints, &c., &c. Indeed, very few are the diseases in which a Purgative Medi-line is not more on hear required and much aich very few are the diseases in which a Purgative Medi-dine is not more or less required, and much sick ness and suffering might be prevented, if a harm-less but effectual Cathartic were more freely used. No person can feel well while a costive habit of body prevails; besides it soon generates serious and often fatal diseases, which might have been avoided by the timely and judicious use of a good purgative. This is alike true of Colds, Feverish symptoms, and Bilious derangements. They all tend to become or produce the deep seated and formidable distempers which load the hearness all over the land. Hence a which load the hearses all over the land. Hence a

reliable family physic is of the first importance to the public health, and this Pill has been perfected

extensive trial of its virtues by Physicians, Profes

sors, and Patients, has shown results surpassing

have been effected beyond belief, were they not sub-stantiated by persons of such exalted position and character as to forbid the suspicion of untruth.

Among the many eminent gentlemen who have testified in favor of these Pills, we may mention :

DE. A. A. HAYES, Analytical Chemist, of Bost

and State Assayer of Massachusetts, whose high professional character is endorsed by the

HON. EDWARD EVERATT, Schator of the D. S. ROBERT C. WINTHBOP, Ex-Speaker of the House

of Representatives. ABBOTT LAWBENCE, Minister Plen. to England. † JOHN B. FITZPATRICK, Cath. Bishop of Boston.

Also, DR. J. R. CHILTON, Practical Chemist, of

WM. B. ASTOR, the richest man in America. S. LELAND & Co., Propr's of the Metropolitan

Hotel, and others. Did space permit, we could give many hundred certificates, from all parts where the Pills have been used, but evidence even more convincing than the experience of eminent public men is jound

These Pills, the result of long investigation and

study, are offered to the public as the best and most complete which the present state of medical

science can afford. They are compounded not of the drugs themselves, but of the medicinal virtues only of Vegetable remedies, extracted by chemical

process in a state of purity, and combined together in such a manner as to insure the best results. This

in such a manner as to insure the best results. This system of composition for medicines has been found in the Cherry Pectoral and Fills both, to produce a more efficient remedy than had hitherto been ob-tained by any process. The reason is perfectly ob-vious. While by the old mode of composition, ev-

ery medicine is burdened with more or less of acri-

monious and injurious qualities, by this each indi-vidual virtue only that is desired for the curative

effect is present. All the inert and obnoxious qual-

effect is present. All the inert and conoxious qual-ities of each-substance employed are left behind, the curative virtues only being retained. Hence it is self-evident the effects should prove as they have proved more purely remedial, and the Pills a surer, more powerful antidote to disease than any other medicine known to the world.

As it is frequently expedient that my medicine should be taken under the counsel of an attending

Physician, and as he could not properly judge of a

remedy without knowing its composition, I have supplied the accurate Formulas by which both my Pectoral and Pills are made to the whole body of Practitioners in the United States and British Amer-

ADAMS & CO'S DAILY EXPRESSES,

number of the Gasette, I found a communication from our friend, Mr. L. P. Spiers, roommending Dr. R. H. Worthington's Cholers Mixture to the public, for the cure of diarrhoes, dysentery, and other kindred diseases. Having experience in my own case, the happy effects of its use, as well as other members of my family, I can safely say that I regard it superior to any remedy we have ever used, in an experience of twenty years. I would, therefore, recommend it to every family as an in-valuable remedy, and every individual to procure a bottle and keep it by them in these times of B. R. PARKER. cholers. Murfreesbore,' Aug. 80th, 1854.

This is to certify that I have used Dr. R. H. Worthington's Cholors medicine in my family for the last four or five weeks, in several cases of Bowel Complaint, so common in our visinity, with invariable success. One of the cases was that of a negro child, some four or five months old, who was so emacisted by the effects of the disease, that its life was nearly despaired of, when my wife happened to think that she would try the Cholera Medicine, and did so with complete success in less than forty-eight hours .--- I am throughly of opinion
