The American Friend!

HOLLOWAY'S PILLS. I most humbly and sincerely thank you for the immense patronage which you have bestowed upon my Fifts. I take this opportunity of stating that my Americans were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, ch so that I originally compounded these File expressly to suit your climate, habits, con stitutions, and manner of living, intending to es tablish myself among you, which I have now done, by aking premises in New York

THOMAS HOLLOWAY. 38, Corner of Ann and Nassau st's., New York. PURIFICATION OF THE BLOOD.

AND LIVER AND BILIOUS COMPLAINTS. The citizens of the Union suffer much from dis es of the Liver and Stomach; scarcely any are free from the influence of these destructive maledies, hence life wears fast. The fair sex, perhaps the most handsome in the Werld, up to a certain period when, distressing to say many oose their teeth and good looks, while yet in the heyday of life, such and evils may be effectually remadied by continually keeping the blood pure and the Liver and Stomach in a healthy action, when life will flow smoothly, and resemble plants in a congenial clime, where an eternal spring appears to reign. As it regards the preservation of the human frame, and the duration of life, much may be effected, and I say fearlessly, that health and life can be prolonged for many years beyond their ordinary limits, if Holloway's Pills are taken to purify the blood according to the rules laid down for health contained in the directions which accompany each box.

A CASE OF WEAKNES AND DEBILI TY, OF 10 YEARS STANDING, CURED BY HOLLOWAY'S PILLS. Copy of a Letter from Captain Johnson, Astor House, New York, January 5th, 1854. To Professon Holloway, 38, Corner of Ann and Nassau Streets, N. Y.

Sir, -It is with the most heartfelt pleasure have to inform you that I have been restored to health and strength by taking your Pills. For Lawns, Prints, Challies, Barege de Laines, Gingthe last ten years, I suffered from a dorangement of the Liver and Stomach, and was reduced to such an extremity that I gave up my Ship, never expecting to go to Sea any more, as I had tried every Remedy that was recommended to me, but all to no purpose; and had given myself up to despair, when I was at last recommended to take your Pills. After using them for three months. the result is that I am now in better health than I have been for eleven years past, and indeed as well as ever I was in my life. You are quite at liberty to make this known for the benefit of I remain, Sir, yours respectfully. JOHN JOHNSON. (Signed)

BATES & PRANCE,

AYER'S MANUFACTURER AND WHOLESALE DEALER IN FOR ALL THE PURPOSES OF A

FAMILY PHYSIC

There has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with sive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much stripting pain and revulsion in the system as to more griping pain and revulsion in the system as to more than counterbalance the counterbalance the griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the comuse in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Listlessness, Irritability, Bilious Headache, Bilious Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient, they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Brysipelas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood and prepare the system for the change of seasons.

and prepare the system for the change of seasons. An occasional dose stimulates the stomach and bowels into healthy action, and restores the appe-tite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, renovate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but un-necessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine. Being sugar-wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

AYER'S CHERRY PECTORAL, For the rapid Cure of COUCHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH. CROUP, ASTHMA, AND CONSUMPTION.

This remedy has won for itself such notoriety from its cures of every variety of pulmonary disease, that it is entirely unnecessary to recount the evidences of its virtues in any community where it has been employed. So wide is the field of its usethat almost every section of the country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too appar ent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs which are incident to our climate. And not only in formidable attacks upon the lungs, but for the milder varieties of Colds, Coughs, Hoarseness, &c.; and fer CHILDREN it is the pleasantest and safest medicine that can be obtained.

As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best that it ever has been, and that the genuine article is sold by— P. F. PESCUD, Raleigh, and by Druggists generally.
