HOLLOWAY'S PILLS TO THE CITTURE OF THE UNITED STATES,—
I work bombly and sincerely thank you for the immense patronage which you have bestowed upon my Fish. I take this opportunity of stating that my Ancesters were all American Citizens, and that I entertain for all that concerns America and the Americans, the most lively sympathies, so much so that I eniginally compounded these Pills expressly to sail-your climate, habits, con stitutions, and manner of living, intending to establish myself among you, which I have now done, by taking premises in New York.

PURIFICATION OF THE BLOOD, AND LIVER AND MILIOUS CONPLAINTS. The citizens of the Union suffer much from disorders of the Laver and Stomach; scarcely any are free from the influence of these destructive maladies, house life wears fast. The fair sex, perhaps the most handsome in the World, up to a certain period when, distressing to say, many loose their teeth and good looks, while yet in the LO LODEON, Geo. A. Prince Co., Manufacturers heyday of life, such and avils may be effectually remedied by continually keeping the blood pure, and the Liver and Stomach in a healthy action, when life will flow smoothly, and resemble plants in a congenial clime, where an eternal spring appears to reign. As it regards the preservation of the human frame, and the duration of life, much may be affected, and I say fearlessly, that health and life can be prolonged for many years beyond their ordinary limits, if Holloway's Pills are taken to pasify the blood according to the rules laid down for health contained in the directions which recompany cabb box.

CAUTION-We commenced the manufacture of the Improved Melodeon in 1847, since which time we have finished and sold over Fourteen Thousand. Thousand annually. The celebrity which our Mel-Agent in each city or town, many are necessarily wishes of all. disappointed. The result has been that our Name Plate has been put upon Melodeous which were not | ble Yard, at the south-east corner of the Raleigh manufactured by us; and again, (in a few instances Grave Yard, where may always be seen specimens wehch have come to our knowledge) dealers, who of his workmanship and a variety of styles of Grave have been unable to obtain our instruments, have acepted the agency of some other manufacturer -keeping one of our instruments which had purposely een put out of tune, and in bad order, as a foil to the inferior article they offered to the public. For these reasons we caution these who wish to satisfy themselves of the merits of our Melodeons to examine those only which are offered by our Agents or those who deal exclusively in our instruments. Many improvements applied are exclusively our own and being the original manufacturers, our experience has enabled us to produce instruments which a discerning public have pronounced superior to snything of the kind hitherto manufactured. Many of the most eminent musicians of the cities of New York and Boston have voluntarily given testimonisls as to the high character of of our instruments,

FOR ALL THE PURPOSES OF A

FAMILY PHYSIC.

There has long existed a public demand for an effective purgative pill which could be relied on as sure and perfectly safe in its operation. This has been prepared to meet that demand, and an extensive trial of its virtues has conclusively shown with what success it accomplishes the purpose designed. It is easy to make a physical pill, but not easy to make the best of all pills—one which should have none of the objections, but all the advantages, of every other. This has been attempted here, and with what success we would respectfully submit to the public decision. It has been unfortunate for the patient hitherto that almost every purgative medicine is acrimonious and irritating to the bowels. This is not. Many of them produce so much griping pain and revulsion in the system as to more than counterbalance the good to be derived from them. These pills produce no irritation or pain, unless it arise from a previously existing obstruction or derangement in the bowels. Being purely vegetable, no harm can arise from their use in any quantity; but it is better that any medicine should be taken judiciously. Minute directions for their use in the several diseases to which they are applicable are given on the box. Among the complaints which have been speedily cured by them, we may mention Liver Complaint, in its various forms of Jaundice, Indigestion, Languor and Loss of Appetite, Listlessness, Irritability, Billous Headache, Billous Fever, Fever and Ague, Pain in the Side and Loins; for, in truth, all these are but the consequence of diseased action in the liver. As an aperient, they afford prompt and sure relief in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body,

aperient, they afford prompt and sure realer in Costiveness, Piles, Colic, Dysentery, Humors, Scrofula and Scurvy, Colds with soreness of the body, Ulcers and impurity of the blood; in short, any and every case where a purgative is required.

They have also produced some singularly successful cures in Rheumatism, Gout, Dropsy, Gravel, Erysipelas, Palpitation of the Heart, Pains in the Back, Stomach, and Side. They should be freely taken in the spring of the year, to purify the blood taken in the spring of the year, to purify the blood and prepare the system for the change of seasons. An occasional dose stimulates the stomach and An occasional dose stimulates the stomach and bowels into healthy action, and restores the appe-tite and vigor. They purify the blood, and, by their stimulant action on the circulatory system, reno-vate the strength of the body, and restore the wasted or diseased energies of the whole organism. Hence an occasional dose is advantageous, even though no serious derangement exists; but un-necessary dosing should never be carried too far, as every purgative medicine reduces the strength, when taken to excess. The thousand cases in which a physic is required cannot be enumerated here, but they suggest themselves to the reason of every body; and it is confidently believed this pill will answer a better purpose than any thing which has hitherto been available to mankind. When their virtues are once known, the public will no longer doubt what remedy to employ when in need of a cathartic medicine. Being sugar-wrapped they are pleasant to take, and being purely vegetable, no harm can arise from their use in any quantity.

For minute directions see wrapper on the Box.

AYER'S CHERRY PECTORAL, For the rapid Cure of COUCHS, COLDS, HOARSENESS, BRONCHITIS, WHOOPING-COUGH, CROUP, ASTHMA, AND

CONSUMPTION. This remedy has won for itself such notoriety rom its cures of every variety of pulmonary disease, that it is entirely unnecessary to recount the evidences of its virtues in any community where it has been employed. So wide is the field of its usefulness, and so numerous the cases of its cures. that almost every section of the country abo in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs which are incident to our climate. And not only in formidable at-tacks upon the lungs, but for the milder varieties of COLDS, COUGHS, HOARSENESS, &c.; and for CHILDREN it is the pleasantest and safest medicine that can be obtained.

As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best that it ever has been, and that the genuine article is sold by —
