Raleigh and Gaston Railroad.
 NOTICE is hereby given, that from and after
 the 30th day of January, 1866, the Road for
 freight shall be laid at Petersburg or Portsmouth,
 except on way freight, which must be paid in
 advance or on delivery of the goods, as the case may
 be.
 This arrangement will afford great advantages
 to our customers, by superseding the necessity of
 their employing more than one forwarding agent
 between New York and Raleigh, and having their
 goods or produce subjected to only one handling.
 Agents of the Road are respectfully requested to
 suggest the names of their customers to whom
 the greatest care will continue to be taken by
 the officers and agents of the Company in every
 department of its business, to accommodate the
 public and promote the interests of its customers.
 Whilst the Western merchants are going North
 a passenger train will leave Raleigh in the after-
 noon on the arrival of the train from the West
 on the N. C. Road; notice of which will be given.
 By order of the Board of Directors,
 L. O'B. BRANCH, President.
 As the Company has two Depots in Raleigh,
 merchants and shippers are requested to have their
 goods or produce distinctly marked, so that their
 destination may be known, and they may be
 loaded to the through Depot from Peters-
 burg or Portsmouth.

Notice to Contractors.
 OFFICE OF THE ATLANTIC AND N. C. RAIL-
 ROAD COMPANY, July 2nd, 1866.
 THE period for receiving proposals having been
 extended, as heretofore intimated, and as the
 propositions which may be received will settle
 the question of the best quality of Road,
 proposals are now invited by the President and
 Board of Directors of the Atlantic and North
 Carolina Railroad Company, at their office in New-
 Bern, N. C., from the 2nd to the 16th of August
 next, for the grading, bridging, masonry, and
 superstructure, including the iron (the plan of
 rail to be furnished by the Company, and to be of
 60 pounds to the lineal yard,) of those sections of
 the Road between New Bern and Beaufort Harbor,
 terminating on the East side of Newport river, at
 the Shell Rock, opposite Gallants Point; and also
 between the West side of Newport river, at the White Rock,
 opposite Shepper's Point and Carolina City.
 The bids can be made for the work in sections
 of one mile each, or for the entire distance of about
 27 miles, and they will state what amount of
 stock and county bonds and cash will be received
 in payment. The maps, profiles, plans and spec-
 ifications will be ready for inspection at the office
 of the Company, on the 2nd of August next, where
 any further information can be obtained in regard
 to the work.
 If any person reserves the right to reject any or
 all of the proposals, should they not be satisfactory.
 All other things being equal, in awarding
 the contracts, preference will be given to residents.

 RANAWAY from the subscriber on the 14th

 he is about 19 years old, weighs 160 or 170 pounds,
 has rather a down look, when spoken to, and is a
 dark mulatto. He was raised in Chatham county,
 near Deep River, near the Gulf, and was purchased
 at the sale of Robert Farmer, deceased, by John
 Hanks & Co. and from them by me.
 Also, on the 27th of June, a negro man named BURKE,
 30 years old, stout built, with straight black hair
 and hair inclined to red. I will give fifty
 dollars, for the apprehension and commitment
 of either of these negroes, and will also pay
 the expenses of their transportation to the subscriber
 at the place to which they were taken.

TO THE PUBLIC.—The subscriber is pleased
 to inform the public that this CHOLERA AND
 DIARRHEA MEDICINE affords more prompt
 relief in the various affections of the Bowels, and
 consequently more satisfactory to all who have
 used it than any other Medicine ever offered to
 the public. The following are among many testi-
 monials of its efficacy.
 Dr. R. H. WORTHINGTON.—DEAR SIR: I take
 much pleasure in adding my testimony to others
 in favor of your remedy for Bowel Affections, &c.,
 having so frequently experienced its beneficial
 results in my own case, as well as in many others
 to whom I have given it. I carried a bottle of it
 with me to Baltimore, (and here permit me to say
 I would as soon think of traveling without it, as
 without this remedy,) and finding many among
 my acquaintances there who were suffering with
 various forms of Bowel Affections, I gave it freely,
 and in so many instances did it afford the most
 prompt and decided relief, that I feel it my duty
 to congratulate you, and especially the public, on
 the discovery of a medicine which is better cal-
 culated to protect mankind and alleviate suffering
 than any other ever brought before the world.
 L. T. SHIPLEY.

This is to certify that, some weeks before I
 was taken with a violent Diarrhoea, which proved
 to be a cholera, I immediately used one of the most
 valuable of all remedies, your Cholera Medicine,
 but without affording any relief. On arriving at
 home, I was informed that Dr. R. H. Worthington
 had prepared a remedy for Cholera, &c., and was
 advised to use it, and I regard it as one of the most
 valuable of all remedies, and I have used it many
 times, and I can say, with confidence, that it is
 in my family, and, in justice to the Doctor, say I
 consider it more than most valuable medicine I
 have used in an experience of twenty years.
 F. M. CAPEHART,
 Murfreesboro', N. C., Oct. 2, 1864.

Dr. WORTHINGTON.—DEAR SIR: I take great
 pleasure in recommending your Cholera Medicine
 to the public and more especially since I have had
 personal experience and observation of its benefi-
 cial effects.
 I have tried several remedies put out for Cholera,
 &c., but have never found such happy results
 from any as from your invaluable remedy. I have
 such unbounded confidence in its efficacy, that I
 am unwilling and will not leave home without a
 supply with me, and I regard it as one of the most
 valuable discoveries of the age. Yours, very truly,
 W. P. BEAMAN.

Dr. R. H. WORTHINGTON.—DEAR SIR: I have
 made some effort, and have succeeded in introduc-
 ing your Medicine to the public, and I find it is
 taking very well indeed; and the result is, that
 I have nearly sold what you sent me. I there-
 fore, recommend it to every family as a medicine
 as you can. I have not the slightest
 doubt but that this Medicine is the very best reme-
 dy out for the disease for which it is recommended.
 I hope you will soon send me a supply, as I
 would not like to get entirely out of it.
 Yours, truly,
 GEORGE W. McGLAUGHON.

[From the Murfreesboro' Gazette.]
 Mass. S. BARNES. In looking over the last
 number of the Gazette, I found communication
 from our friend, Mr. L. P. Spiera, recommending
 Dr. R. H. Worthington's Cholera Mixture to the
 public for the cure of diarrhoea, dysentery, and
 other kindred diseases. Having experienced in my
 own case, the happy effects of its use, as well as
 other members of my family, I can safely say that
 I regard it superior to any remedy we have ever
 used, in an experience of twenty years. I would,
 therefore, recommend it to every family as an in-
 valuable remedy, and every individual to procure
 a bottle and keep it by them in these times of
 cholera.
 E. R. PARKER,
 Murfreesboro', Aug. 30th, 1864.

This is to certify that I have used Dr. R. H.
 Worthington's Cholera medicine in my family for
 the last four or five weeks, in several cases of
 Bowel Complaint, so common in our vicinity, with
 invincible success. One of the cases was that of
 a negro child, some four or five months old, who
 was so emaciated by the effects of the disease, that
 its life was nearly despaired of, when my wife
 happened to use the remedy, and she would not
 believe that she would get the Cholera Medicine,
 and did so with complete success in less than
 forty-eight hours.—I am thoroughly of opinion
 that no family should be without some fine medicine
 of this kind.
 Given under my hand, this 3rd day of October,
 1864.
 A. W. DARDEN.
 Murfreesboro' N. C.

Dr. R. H. Worthington.
 It affords me pleasure to say that we have used
 your Cholera Diarrhoea medicine for the last two
 months, and have found it invariably successful,
 in relieving speedily the cases in which we have
 had occasion to use it. We entertain a high ap-
 preciation of its value, and have no hesitation in
 expressing the opinion that it will prove to be a
 valuable family medicine.

A FIRST RATE MISSISSIPPI PLANTATION
For Sale.
 A GREAT BARON WILL BE GIVEN.
 I WILL positively sell on the 28th day of De-
 cember next, at public outcry on the premises,
 100 acres of land with brick chimneys, cabins for
 credit of one, two, three, and four years, my well
 known Bogue Chitto Plantation, in Hinds county,
 Mississippi, within five miles of the Jackson and
 Vicksburg Railroad, at Clinton, and eight of the
 great New Orleans Railroad, at the City of Jack-
 son, containing:
 1120 Acres,
 all under good fence, of which 900 acres are cleared,
 and the balance well timbered. Its advantages
 are almost unrivalled in position, fertility of
 soil, splendid bottom land, and fine adaptation to
 the production of corn and cotton—upwards of
 300 bales of cotton, and 6000 bushels of corn, hav-
 ing been made on the place in a year. Its pasture
 lands are unsurpassed for grass, cane, and never
 failing water, and considering the market, for but-
 ter, beef, and mutton, at the seat of government,
 is of itself a great source of revenue. And then
 its improvements, with plaid garden, two esters,
 dwelling house with brick chimneys, cabins for
 100 negroes, with plank roads and rafter roads,
 gin house, horse mill, cotton press, &c., &c., make
 it one of the most valuable estates in the country.
 Possession given on the first of January next.
 To any one who may wish to take the plantation
 privately, my terms shall be liberal, which may
 be known by application to my brother, General
 Patrick Henry, who resides near the premi-
 ses, or to the undersigned at the provisions
 stock, &c., on the place, at a fair price; other-
 wise, I will sell on a credit of twelve months, at the
 same time and place, 20 or 30 likely mules, about
 100 head of cattle, 150 stock hogs, 190 head of
 sheep, mutton, fowls, peas, and potatoes, and farm-
