Raleigh and Gaston Railroad.

NOTICE is hereby given, that from and after the 30th January, all dues to this Road for Freight must be paid at Petersburg or Portsmouth, except on way freight, which must be paid in advance or on delivery of the goods, as the case may be.

This arrangement will afford great advantages to our customers, by supervising the necessity of the amount more than one forwarding agent between New York and Raleigh, and having their goods or produce subjected to only one handling. Agents cannot violate the above rule without subjecting themselves to the penalties of the law.

The greatest care will continue to be taken by the officers and agents of the Company in every department of its business to accommodate the public and promote the interests of its customers. Whilst the Western Merchants are going North a passenger train will leave Raleigh in the afternoon, on the arrival of the train from the West on the N. C. Road; due notice of which will be given.

By order of the Board of Directors,
L. O'BRIEN, President.

As the Company has two Depots in Raleigh, merchants ordering goods to go up the N. C. Road are requested to have their orders sent to the depot to which their destination may be known, and they may be loaded to the through Depot from Petersburg or Portsmouth.

TO THE PUBLIC.—The subscriber is pleased to inform the public that the CHOLERA AND DIARRHOEA MEDICINE affords more prompt relief in the various affections of the Bowels, and consequently more satisfactory to all who have used it, than any other Medicine ever offered to the public. The following are among many testimonials of its efficacy.

Dr. R. H. WORTHINGTON.—DEAR SIR: I take much pleasure in adding my testimony to others in favor of your remedy for Bowel Affections, &c., having so frequently experienced its beneficial results in my own case, as well as in many others to whom I have given it. I carried a bottle of it with me to Baltimore, (and here permit me to say I would as soon think of traveling without money as without this remedy) and finding many among my acquaintances there who were suffering with various forms of Bowel Affections, I gave it freely, and in no instance did it fail to afford the most prompt and decided relief as it has done here. I congratulate you, and especially the public, on the discovery of a medicine which is better calculated to protect mankind and alleviate suffering than any other ever brought before the people.

L. T. SPIERS.

This is to certify that, some weeks back, I was taken with a violent Diarrhoea, which persisted for eight days. Being some sixty miles from home, I made use of any remedy I could think of, but without affording any relief. On arriving at home, I was informed that Dr. R. H. Worthington had prepared a remedy for Cholera, &c., and was advised to use it. I did so, and to my astonishment, one single dose gave me relief, and permanent relief, since which time I have used it frequently in my family; and, in justice to the Doctor, say I consider it much the most valuable medicine I have used in an experience of twenty years.

F. M. CAVEHART.
Murfreesboro', N. C., Oct. 2, 1854.

Dr. WORTHINGTON.—DEAR SIR: I take great pleasure in recommending your Cholera Medicine to all those who are afflicted with this disease, from personal experience and observation of its beneficial effects.

I have tried several remedies put up for Cholera, &c., but have never found such happy results from any as from your invaluable medicine. Your unbounded confidence in its efficacy, as well as an unwilling and will not leave home without a supply with me; and I regard it as one of the most valuable discoveries of the age.

W. P. BEAMAN.
Windsor, N. C., Sept. 19, 1854.

Dr. R. H. WORTHINGTON.—DEAR SIR, I have made some effort, and have succeeded in finding out the real cause of Cholera, and I find it is taking very well indeed; and the result is, that I have nearly sold you what you sent me. I therefore, wish you would send me some more as soon as you can. I have not the slightest doubt that this Medicine is the very best remedy out for the disease for which it is recommended. I hope you will soon send me a supply, as I would not like to get entirely out of it.

GEORGE W. McGLAUGHLIN.

[From the Murfreesboro' Gazette.]

Messrs. Editors: In looking over the last number of the Gazette, I found a communication from your friend, Mr. L. P. Spiers, recommending Dr. R. H. Worthington's Cholera Mixture to the public, for the cure of diarrhoea, dysentery, and other kindred diseases. Having experience in my own case, the happy effects of its use, as well as other members of my family, I can safely say that I regard it superior to any remedy we have ever used, in an experience of twenty years. I would recommend it to my family as an invaluable remedy, and every individual to procure a bottle and keep it by them in these times of cholera.

R. B. PARKER.
Murfreesboro', Aug. 30th, 1854.

This is to certify that I have used Dr. R. H. Worthington's Cholera medicine in my family for the last four or five weeks, in several cases of Bowel Complaint, and with the most successful results, with invariable success. One of the cases was that of a negro child, some four or five months old, who was so emaciated by the effects of the disease, that its life was nearly despaired of, when my wife happened to think that she would try the Cholera Medicine, and did so with complete success in less than forty-eight hours.—I am thoroughly of opinion that no family should be without so fine a medicine.

Given under my hand, this 3rd day of October, 1854.

A. W. DARDEN.
Murfreesboro' N. C.

Dr. R. H. Worthington.

It affords me pleasure to say that we have used your Cholera Diarrhoea medicine for the last twelve months, and have found it invariably successful, in relieving speedily the cases in which we have had occasion to use it. We entertain a high appreciation of its value, and no limitation in expressing the opinion that it will prove to be a valuable family medicine.

A FIRST RATE MISSISSIPPI PLANTATION
FOR SALE.

A GREAT BARGAIN WILL BE GIVEN.

I WILL positively sell on the 28th day of December next, at public outcry on the premises, if not previously sold at private sale, on credit of one, two, three, and four years, my well known Bogie Chitto Plantation, in Hinds county, Mississippi, within five miles of the Jackson and Vicksburg Rail Road, at Clinton, and eight of the great New Orleans Railroad, at the City of Jackson, containing:

1120 Acres,
all under good fence, of which 900 acres are cleared, and the balance well timbered. Its advantages are almost incalculable in position, fertility of soil, splendid bottom land, and fine adaptation to the production of corn and cotton—upwards of 300 bales of cotton, and 6000 bushels of corn, having been made out of the place in a year. Its pastures are unsurpassed, for growing cane, and never failing water; and commanding the market for butter, beef, and mutton, at the seat of government. It is almost a great garden of revenues, and affords its improvement with pale garden, two western, dwelling house with brick chimneys, stables for 100 negroes, with plank floors and rafters roofs, grain house, horse mill, cotton press, &c. &c. make it a desirable place in a year. Its pastures are unsurpassed, for growing cane, and never failing water; and commanding the market for butter, beef, and mutton, at the seat of government. Yearly, to the amount of \$10,000. Possession given on the first of January next.

To any one who may wish to buy the plantation privately, my terms shall be liberal, which may be known by application to my brother, General Patrick Henry, who resides near the premises. He can have the option to take the provisions, stock, &c., on the place, at a fair price; otherwise, I will sell on a credit of twelve months, at the same time and place, 20 or 30 lively mules, about 200 head of cattle, and 100 head of sheep, corn, fodder, peas, and potatoes, and farming utensils of every description.
