To all and every one who owe us.
WE have heretofore announced that we have made arrangements to commence business during the coming spring, in the North-west, at the same time, calling on our customers to come forward and settle. This request has been extensively but not partially complied with, and the large amount will do in notes and accounts will render it absolutely necessary, if they are not paid before our departure, to place them in the hands of our attorney.
Wherever possible, we have granted every indulgence asked for by our customers; but the necessity of finally closing up our business in this city renders it imperative on us to call upon them as we do now.

HOME TRADE & MANUFACTURE.
WE have just made arrangements with the Alpha Woolen Mills of Orange County, N. C., to receive agents in the county of Wake for the sale of their Merinoes, Jeans and Kerseys and we invite the attention of our Merchants and farmers, to an examination of these articles. They will find them worth better and lower than they can now be purchased North. To Merchants, we will make them at the factory prices, to enable them to retail them at a profit. To those who have negroes to clothe, it is to their interest for them to procure those Home made Kerseys, as they are manufactured in Charlotte, at the North Carolina Clothing Establishment, and sold at the Rock Island factory. These Commences makes a beautiful and durable suit for gentlemen, and every North Carolinian should have at least one suit. Walk in and see them.
