All and every one who owe us.
We have heretofore announced that we have made arrangements to commence business, according to coming spring, in the North-west; at the same time, calling on our customers to come forward and settle. This request has been attended to by only a part, and the large amount due on notes and accounts will render it absolutely necessary, if they are not paid before departure, to place them in the hands of our Attorney.
As soon as possible, we have granted every indulgence asked for by our customers; but the necessity of finally closing up our business in this country renders it imperative on us to call upon them to do so.
E. L. HARDING.
N. B. The books of E. L. Harding will be closed on the 1st of Jan. 1856, and all accounts stated ready for settlement.

WE have just made arrangements with the Alpha Woolen Mills of Orange County, N. C., as sole agents in the county of Wake for the sale of their Merinos, Jeans and Kerseys and we invite the attention of our Merchants and farmers, to an examination of these articles. They will find them much better and lower than they can now be procured North. To Merchants we will make them at the factory prices, to enable them to retail them at a profit. To those who have negroes to clothe, it is to their interest for them to procure these Home made Kerseys, as they can be furnished by the Merchants buying them at the usual prices for good Kerseys, and we guarantee them much better made, heavier, and contains twice the quantity of wool. Call and see for yourselves.

FOR SALE.

FOUR HUNDRED NEGROES
AND
TEN THOUSAND ACRES
Of Cane-brake Land!
In Dallas and Perry Counties, Alabama.
ON the first Monday in April next, (the 7th.) I will sell at Cahawba, Dallas County, Alabama, to the highest bidder, for cash, or Mobile "accepta nces" at sixty or ninety days, bearing interest, One Hundred and Fifty Likely Negroes. Also, fifty others, on longer time—all acclimated and experienced cotton plantation hands.
I will also sell, at any time during this year, as private sale, (or cash, or on time. Two Hundred other valuable Negroes, (in lots to suit purchasers,) and 10,000 Acres of the very best and most advantageously situated "cane-brake" and "black land," including the nine Plantations, known as the "Trigg Plantation," "Mud Hall," "Sixteenth," "King Plantation," "Blevins Place," "Ludlow," "Lo bebo," "Holmes Place" and the "Cross Roads,"—all of which, for cotton and corn, are inferior to no Plantations in the World.—Also, an elegantly improved and beautiful residence adjoining Summerfield, eight miles from the city of Selma, with about four hundred acres attached to it; the dwelling house, offices, out houses, grounds, garden, &c., are all in first-rate condition. These Plantations are 70 or 80 miles below the city of Montgomery, about 160 miles above Mobile, and west of and near to the Alabama River, which is at all seasons navigable for Steamboats. Near seven thousand acres, including four of the Plantations, are on the Selma and Woodville Railroad; and on this body of land, about fourteen miles from Selma, is located the depot at the junction of the Marion Railroad with the Selma Road, to and from which depot the cars run regularly. Of the other Plantations, one is on the Selma Railroad, two are two miles, and two six miles, distant, one of which is within six miles of the city of Selma. These Plantations are in the highest state of cultivation, with good gin-, gin-houses, cotton-presses, mills, negro cabins, shops, stables, artesian wells, &c., &c., &c.
I will sell them in tracts to suit purchasers, of 500, 1000, 1500, 2000 or 3000 acres, and so laid off as to give as much opened and wood land to each tract as may be desired, and with or without the negroes, stock, plantation tools, corn, provender, &c.
Possession of the above Plantations and Negroes will be given to the purchasers at any time whilst the crop is growing, or in December, or January next, as they may wish.
If not sold privately previous to the first Monday in December next, I will, on that day, at Selma, sell to the highest bidder such negroes as may then be unsold.
Such opportunities and advantages were never before presented for those wishing to continue, or to engage, in the cultivation of cotton. It has been difficult for years past to find a plantation in the "Cane brake" region for sale at any price, or even to purchase there a large unimproved tract.
These Plantations are, in fertility, facilities for transportation, and in all other respects, fully equal, if not superior, to any in the cotton growing States, and I know that personal investigation will prove to the satisfaction of every one that no portion of the Union is more healthy than the "Cane brake" region of Alabama.
I will also sell privately, for cash, or on time, one of the most beautifully improved private residences in the city of Selma, and several valuable and elegantly finished large blocks of Brick Buildings, including the largest and most desirably located store rooms, offices, banking-houses, &c., &c.
Also, several very desirable unimproved large lots, and small tracts of land in and contiguous to Selma.
Also, about 20 head of blooded horses—among which is the celebrated "Brown Dick," several superior brood mares, several young stallions, geldings, colts and fillies—all of them from the very best racing Stock.
Among the Negroes is a first-rate Trainer, several good race-riders, and many excellent mechanics, cooks, seamstresses and house servants.
For further particulars address the undersigned, or W. M. Byrd, Esq., at Selma, or W. M. Brooks, Esq., at Marion, Perry County, Alabama. The Overseers now on the Plantations will give all desirable information to those who may wish to make a personal investigation of the premises
