MANTEO MILLS.

THIS valuable property is now offered for sale. It consists of a Paper, Grist and Saw Mill, and a Farm with a commodious Dwelling House thereon. It is situated in Wake County at the Great Falls of Neuse River, thirteen miles from Raleigh, and four miles from the Depots of the Raleigh & Gaston Rail Road at Forestville and Huntsville. The farm embraces three hundred and sixty-nine acres of good arable land—part of which is in woods.

The Paper Mill is a massive stone building, 201 feet long by 55 feet wide—part of it two and a half stories high, and is covered with a tin roof. The machinery consists of four engines of great power, one Rotary Boiler, one Fourdenier machine of excellent quality, which has turned off 3400 pounds of paper within 24 hours—together with all other appliances necessary for paper making—all in good order. The machinery is driven by Blake water wheels under a head of 18 feet water. There is a large Stock House attached, together with an office and eleven houses for the operatives. Also a Blacksmith shop and a Carpenter's shop of two stories. An abundant supply of the purest wash-water.

The Grist Mill is a new building, 40 feet long by 32 feet wide—of four floors. It has three pair of stones, each pair driven by a Blake water wheel.

The Saw Mill contains an excellent circular saw. Timber can be rafted down the river from twelve miles above.

If not sooner disposed of, the property will be offered at public sale, at the Court House in Raleigh, on the third Monday in May next.

Terms, which will be liberal, will be made known on the day of sale, or on application to the Bank of the State of North Carolina, at Raleigh.
