Peace Proclamation!
THE SUBSCRIBER respectfully informs his friends and patrons, and the public in general, of his return from the Northern cities, and the arrival of his stock of Spring and Summer goods, embracing Clothes, Cassimeres, and Vestings, of French, English and American manufacture, of every variety of color, quality and price.

FURNISHING GOODS,

consisting of super Dress Shirts, Silk, Gauze and Cotton under-shirts; Silk, Linen and Cotton Drawers; Silk, Cotton and Thread, white and fancy Half Hose, Gloves of every variety; a large assortment of Collars, new styles; Cravats, Ties, Stocks, plain and fancy Suspenders, Silk and Linen Cravats, Silk, Linen, and Linen-cambric pocket Handkerchiefs, Dressing Gowns, &c., &c. In addition, he is also receiving a large assortment of

SUPERIOR READY MADE CLOTHING,

which, being manufactured under his own supervision and direction, he can confidently recommend to all. To this branch of his business he desires to give more attention than heretofore, and will make regular additions to his already complete stock, as the season advances, and the wants of his patrons may require. All he asks is an examination of his stock before purchasing elsewhere.
To such buyers, as above good indicates, He receives regularly the latest French, English and American reports of Fashions, retains the services of the most experienced workmen, both in cutting and manufacturing, and guarantees all his work to be equal, if not superior, to any in the State, or out of it, either in quality or price. If this be true, then ENCOURAGE YOUR OWN PEOPLE! Why send your money to the North, when your wants can be as well supplied at home? Why break down the working men of your own State, (whose interest should be your interest, as yours is his,) to the building up of your enemy around ourselves? Why banish your Mechanics and Artizans from a home, both of activity and choice, to offices unmerited—yea, even to the midst of your enemies?
To who have an interest in the welfare of good old North Carolina, think of it; count this fratricidal policy ere it be too late.
Gentlemen furnishing their own goods may rely upon having the same care and attention as though furnished by myself; but in all cases it is considered a cash transaction. Cutting and repairing done at all times, as usual, *for cash.*

NOTICE IS AGAIN GIVEN TO ALL IS ARREARS for 1855, and previously, that their notes and accounts will not remain in my hands after the first of May ensuing; to all of which parties I call attention is solicited by
ISAAC PROCTER.

Singer's Sewing Machines.
ALL Persons who desire to obtain full and reliable information respecting SINGER'S SEWING MACHINES—their prices, capabilities, advantages, sizes, improvements, method of working, manner of procuring them, and all other particulars—can do so by applying at our office
No. 323 BROADWAY, NEW YORK,
by letter, or in person for
I. M. SINGER & CO'S GAZETTE.
This paper is devoted entirely to the Sewing Machine interest. Copies will be supplied gratis to all interested.
N. B.—The unparalleled success of our Sewing Machines has induced several fraudulent imitations of them, besides numerous infringements of our patents—all which we prosecute. Suits for the infringement of our patent have recently been decided in our favor in the U. S. Circuit Courts in New York and New Jersey.—
In these suits the great *reliability* of *Sticking down the fabric to be sewed to the surface of the Machine by a gluing pressure,*
which is used in all Sewing Machines—has been fully established. The Wheeler & Wilson and the Grover & Baker Sewing Machines, as we allege, each infringe three different patents, owned by us. We have suits against them in several of the U. S. Courts, which will soon be tried. We hereby caution the public not to buy any infringing Machines, as they can be compelled by law to stop using them, and to pay costs and damages.
☞ Local Agents wanted to make sales of our Improved Sewing Machines. To persons properly qualified for the business, a rare opportunity for profitable and pleasant employment is offered.
New and improved Machines exchanged on liberal terms for old Machines of every kind.

Lippitt's Specific
FOR THE CURE OF
Dysentery, Diarrhœa, and Summer Complaints.
WILMINGTON, N. C. Feb. 1, 1855.
MR. W. H. LIPPITT,—Dear Sir:—Without any suggestion or solicitation whatever on your part, I take pleasure in adding my testimony to the efficacy of your Specific for the cure of Dysentery and kindred complaints. Having been for three years afflicted with a disease of this character, and employed the services of three of the best physicians in this place, with but slight advantage, I was induced to try your medicine, and after following the prescriptions and taking several bottles, am now perfectly restored. I believe your Specific to be a most excellent and valuable medicine, and feel no hesitation in recommending it to the public. So far from being a nostrum, as too many of the popular medicines of the day are, I believe it superior, for the cure of the diseases indicated above, to any other medicine.
I am truly yours, &c. M. BRYAN.
Prepared and sold, wholesale and retail, by W. H. Lippitt, Druggist and Chemist, Wilmington, N. C.; Williams & Haywood, Raleigh, and by Druggists generally.
