Peace Proclamation!

THE SUBSCRIBER respectfully informs his friends and patrons, and the public in general, of his return from the Northern cities, and the arrival of his stock of Spring and Summer goods, embracing Cloths, Cassimeres, and Vestings, of French, English and American manufacture, of every variety of color, quality and price.

FURNISHING GOODS,

consisting of super Dress Shirts, Silk, Gauze and Cotton under-shirts; Silk, Linen and Cotton Drawers; Silk, Cotton and Thread, white and fancy Half Hose, Gloves of every variety; a large assortment of Collars, new styles: Cravats, Ties, Stocks, plain and fancy, Suspenders, Silk and Linen Cravats, Silk, Linen, and Linen-cambric's pocket Handkerchiefs, Dressing Gowns, &c., &c. In addition, he is also receiving a large assortment of

SUPERIOR READY MADE CLOTHING,

which, being manufactured under his own supervision and direction, he can confidently recommend to all. To this branch of his business he desires to give more attention than heretofore, and will make regular additions to his already complete stock, as the season advances, and the wants of his patrons may require. All he asks is an examination of his stock before purchasing elsewhere. No charge for looking.

To cash buyers, he offers great inducements. He receives regularly the latest French, English and American reports of Fashions, retains the services of the most experienced workmen, both in cutting and manufacturing, and guarantees all his work to be equal, if not superior, to any in the State, or out of it, either in quality or price. If this be true, then ENCOURAGE YOUR OWN PEOPLE! Why send your money to the North, to buy here? Why not encourage men who are at least State, (whose interest should be your interest, as yours is his,) to the building up of your openly avowed enemies? Why banish your Mechanics, and Artizans from a home, both of nativity and choice, to climes uncongenial—yea, even to the midst of your enemies?

Ye who have an interest in the welfare of good old North Carolina, think of it; cause this fratricidal policy ere it be too late.

Gentlemen furnishing their own goods may rely upon having the same care and attention as those furnished by myself; but in all cases it is considered a cash transaction. Cutting and repairing done at all times, as usual, *for cash.*

NOTICE IS AGAIN GIVEN TO ALL IN ARrears for 1855, and previously, that their notes and accounts will not remain in my hands after the first of May ensuing, to all of which particular attention is solicited by

ISAAC PROCTER.

Opposite the Post Office.

Singer's Sewing Machines.

ALL Persons who desire to obtain full and reliable information respecting SINGER'S SEWING MACHINES—their process, capabilities, advantages, sizes, improvements, method of working, means of procuring them, and all other particulars—can do so by applying at our office

No. 323 BROADWAY, NEW YORK,

by letter, or in person for

I. M. SINGER & CO'S GAZETTE.

This paper is devoted entirely to the Sewing Machine interest. Copies will be supplied gratis to all interested.

N. B.—The unparalleled success of our Sewing Machines has induced several fraudulent imitations of them, besides numerous infringements of our patents—of which we own sixteen. Suits for the infringement of our patents have recently been decided in our favor in the U. S. Circuit Courts in New York and New Jersey.—

In these suits the great principle of *Holding down the fabric to be sewed to the surface of the Machine, by a yielding pressure,* which is used in all Sewing Machines—has been fully established. The Wheeler & Wilson, and the Grover & Baker Sewing Machines, as we allege, each infringe three distinct patents, owned by us. We have suits against them in several of the U. S. Courts which will soon be tried. We hereby caution the public not to buy any infringing Machines, as they can be compelled by law to stop using them, and to pay costs and damages.

☞ Local Agents wanted to make sales of our improved Sewing Machines. To persons properly qualified for the business, a rare opportunity for profitable and pleasant employment is offered.

New and improved Machines exchanged on liberal terms for old Machines of every kind.

BUFFALO SPRINGS,

Mecklenburg County, Virginia.

THIS establishment is now open for the reception of visitors

The tonic powers of this water, so potent in imparting tone and vigor to the digestive organs, and its diuretic qualities so efficient in purifying and cleansing the blood, render it a pleasant and useful remedy in a wide range of disease.

Its curative powers are more conspicuously manifested in the various forms of *Dropsy, protracted Intermittens and Remittent Fevers, chronic Diseases of the Skin, functional derangments of the Liver, Stomach, Spleen, Bowels and Kidneys, and last, though not least, Female Complaints,* and almost every chronic disease of the pelvic organs in both sexes. For further information, however, on this subject, I would refer the invalid to a pamphlet already before the public, by Dr. S. H. Harris, of Clarksville, treating more elaborately of the water and its special application to disease. Added to its acknowledged remedial powers, it is equally celebrated as a prophylactic, imparting tone and energy to the general system, enabling it thereby to ward off disease.

Having been purveyor to the establishment for many years, I can bear testimony to the astonishing effects of the water on the appetite, and the perfect impunity with which quantities of food may be taken, which under other circumstances, would be wholly indigestible. To meet this exigency, therefore, I can only promise to do my best in the culinary department, and will pledge myself to the summer voyager to make no charge against him if his appetite or digestion fail him.

The yearly increase of visitors has compelled me to prepare for the comfortable accommodation of four hundred and fifty persons. In addition to a Band of Music engaged for the season, other sources of amusement will be found ready at hand, Billiard Tables, Bowling-Alleys, &c.

The Roanoke Valley Railroad, connecting with the Raleigh and Gaston road at Ridgeway, runs daily to Clarksville, (within seven miles of the Springs,) where hacks, &c., will be in readiness to convey visitors to Buffalo. By this line, persons leaving Raleigh, Wilmington, Norfolk, Richmond or Petersburg in the morning will arrive at the Springs to supper the same day.

RATES OF BOARD

Per day,	$1 50	Children and servants	
" week,	9 00	half price.

GREAT BARGAINS IN MERCHANDIZE.

IN consequence of the death of Mr. JOSEPH B. G. ROULHAC, it becomes necessary to close his mercantile business; this city as soon as it can be.

In order to effect speedy sales, the friends of the deceased, and the public, are informed, that the store will be kept open at his late stand, and that prices will be low down, for cash, to about *costs and charges,* as I am averse.

The stock, it is generally known, is excellent in quality and was laid in on fair terms, embracing Fancy Dry Goods, Ladies' Articles, Mourning Goods, Carpets, Hardware, and the best Family Groceries.

The business will be conducted by Mr. Albert B. Simmons, and, as much as possible, will be attended to, on behalf of the family, by the subscriber. THOS. RUFFIN.
