AMERICAN PRACTICE,
OR,
Family Physician
BY W. BEACH, M. D.
Complete in one volume Octavo. Illustrated with nearly 200 Engravings. Designed for the use of Families and Physicians. The best work on Medical Botany and Surgery extant.

THIS incomparable book embraces the character, causes, symptoms, and treatment of the diseases of men, women, and children of all climates," and comprehends the entire range of Hygiene, Medicine, Surgery, Midwifery Materia Medica, and Pharmacy, which are illustrated with nearly two hundred Engravings—nearly one hundred of which are colored engravings of Medicinal Plants. It is intended for families and for those who wish to prescribe for their own families, without resort to physicians.
It may be justly inferred that this work, the production of an American Physician, must be of superior merit, from the fact that it has drawn from nine potentates of Europe, Golden Medals, as gifts, to its author: another evidence of its merit, is the fact that it has already passed through 7 editions of 20,000 copies each, without in the least affecting a continual increasing demand for the work from every part of not only this country, but from a great part of the continent of Europe. Price $5.00.

To the Public.
I AM induced, for about the first time, to make it public, that I am yet engaged in curing CANCERS. My friends here and in other places have persuaded me to this course, and for the sake of all persons troubled with this distressing complaint, I now make it known, that if they call on me in Norfolk city, at No. 70, North Cumberland Street, I will warrant a cure in every instance, (except in cases which are so far gone as to defy treatment.) I could multiply certificates on certificate, but, deeming such a course useless, I merely refer to persons of note and high standing in this city, &c., to whom I cordially invite all who are skeptical on the subject to address them first before coming to me. I will here state that I will not undertake any *ladies' breast*, as I am no surgeon.
WILLIAM BRESSIE, R. & M.
I respectfully refer to the undersigned in this city: Wm. J. Hardy & Bros., Merchants; Nathaniel Currier, City Inspector; Wm. G. Digges, Cooper; Whitehurst & Co., Bankers; Jno Anderson, Merchant Tailor; Lady of Rev. Mr. Bernard, M. E. Church; T. P. Crowell, Agent Philadelphia Steamers; Jos. T. Peace Proclamation!
THE SUBSCRIBER respectfully informs his friends and patrons, and the public in general, of his return from the Northern cities, and the arrival of his stock of Spring and Summer goods, embracing Cloths, Cassimeres, and Vestings, of French, English and American manufacture, of every variety of color, quality and price.

FURNISHING GOODS,
consisting of super Dress Shirts, Silk, Gauze and Cotton under shirts; Silk, Linen and Cotton Drawers; Silk, Cotton and Thread, white and fancy Half Hose, Gloves of every variety; a large assortment of Collars, new styles; Cravats, Ties, Stocks, plain and fancy, Suspenders, Silk and Linen Cravats, Silk, Linen, and Linen-cambric pocket Handkerchiefs, Dressing Gowns, &c. &c. In addition, he is also receiving a large assortment of
SUPERIOR READY MADE CLOTHING,
which, being manufactured under his own supervision and direction, he can confidently recommend to all. To this branch of his business he desires to give more attention than heretofore, and will make regular additions to his already complete stock, as the season advances, and the wants of his patrons may require. All he asks is an examination of his stock before purchasing elsewhere. No charge for looking.
To cash buyers, he offers great inducements. He receives regularly the latest French, English and American reports of Fashions, retains the services of the most experienced workmen, both in cutting and manufacturing, and guarantees all his work to be equal, if not superior, to any in the state, or out of it, either in quality or price. If this be true, then ENCOURAGE YOUR OWN PEOPLE! Why send your money to the North, when your wants can be as well supplied at home? Why break down the working men of your own State, (whose interest should be your interest, as yours is his,) to the building up of your openly avowed enemies? Why banish your Mechanics and Artizans from a home, both of nativity and choice, to climes uncongenial—yea, even to the midst of your enemies?
Ye who have an interest in the welfare of good old North Carolina, think of it; cease this fratricidal policy ere it be too late.
Gentlemen furnishing their own goods may rely upon having the same care and attention as though furnished by myself, but in all cases it is considered a cash transaction. Cutting and repairing done at all times, as usual, *for cash.*

NOTICE IS AGAIN GIVEN TO ALL IN Arrears for 1855, and previously, that their notes and accounts will not remain in my hands after the first of May ensuing; to all of which particular attention is requested by
ISAAC PROCTER.
Opposite the Post Office.

THE Subscriber would take this method of reminding the public, that he is still engaged in the manufacture of Grave Ornaments, in all variety and the best style of finish and workmanship. He keeps always on hand a large stock of Marble, both of American and Italian, suitable for Monuments, Obeliaks, Tombs, Head Stones, &c.; and having in his employ a first-rate Northern Carver and Letterer, he is prepared to put all kinds of Designs and Inscriptions, to suit the tastes and wishes of all.
He would respectfully invite a visit to his Marble Yard, at the south-east corner of the Raleigh Grave Yard, where may always be seen specimens of his workmanship and a variety of styles of Grave Ornaments.
Thankful for the liberal patronage heretofore received, he respectfully solicits a continuation of the same, pledging himself to use his best endeavors to please all.

Singer's Sewing Machines.
ALL Persons who desire to obtain full and reliable information respecting SINGER'S SEWING MACHINES—their price, capabilities, advantages, sizes, improvements, method of working, means of procuring them, and all other particulars—can do so by applying at our office
No. 323 BROADWAY, NEW YORK,
by letter, or in person for
L. M. SINGER & CO'S GAZETTE.
This paper is devoted entirely to the Sewing Machine interest. Copies will be supplied gratis to all interested.
N. B.—The unparalleled success of our Sewing Machines has induced several fraudulent imitations of them, besides numerous infringements of our patents—of which we own sixteen. Suits for the infringement of our patents have recently been decided in our favor in the U. S. Circuit Court in New York and New Jersey.—
In these suits the great principle of
Holding down the fabric to be sewed to the surface of the Machine, by a yielding pressure,
which is used in all Sewing Machines—has been fully established. The Wheeler & Wilson, and the Grover & Baker Sewing Machines, as we allege each infringe three distinct patents, owned by us. We have suits against them in several of the U. S. Courts which will soon be tried. We hereby caution the public not to buy any infringing Machines, as they can be compelled by law to stop using them, and to pay costs and damages.
Local Agents wanted to make sales of our improved Sewing Machines. To persons properly qualified for the business, a rare opportunity for profitable and pleasant employment is offered. New and improved Machines exchanged on liberal terms for old Machines of every kind.
