NOTICE!
U. S. LAND AND PENSION AGENCY.
TO all those for whom I have collected Land Warrants, less than 160 acres, I have the number and particulars of said warrant, and, by calling on or writing to me, I can get each one an increase of pay; and to all the Soldiers who rendered 14 days' service in any of the wars since 1790, they, or their widows, or minor child or children, are entitled to land. They will do well to call at this Agency. I have the rolls for the State of North Carolina.
Also, all Widows of the Revolutionary War are entitled to land. Wagon Masters and Teamsters are embraced among the numerous Laws; and all those who think they have a claim are respectfully invited to call and have their claims investigated.
My terms are no charge, unless I succeed—After 15 years' experience, I flatter myself that I understand my business, and all the numerous laws in such cases. Give me a call, and have your claims investigated before it will be forever too late.
Enlisted Soldiers, having located lands in Illinois and Missouri, I will pay the highest cash prices for them. I have the number, Townships and locations of several hundred in whose name they appear of record.
The highest cash prices paid for land warrants.

☞ Remember that every Prize is drawn and payable in full without deduction.

Singer's Sewing Machines.
ALL Persons who desire to obtain full and reliable information respecting SINGER'S SEWING MACHINES—their or ce, capabilities, advantages, sites, [illegible] mate method of working, means of procuring them, and all other particular—can do so by [illegible] office
No. 323 BROADWAY, NEW YORK,
by letter [illegible]
I. M. SINGER & CO'S GAZETTE,
[illegible] paper is devoted exclusively to the Sewing Machine interest. Copies will be supplied gratis to all interested.
N. B.—The unparalleled success of our Sewing Machines has induced several fraudulent imitations of them, besides numerous infringements on our patents—of which we own sixteen. Suits for the infringement of our patents have recently been decided in our favor in the U. S. Circuit Courts in New York and New Jersey.—
In these suits the great principle of
Holding down the fabric to be sewed to the surface of the Machine, by a yielding pressure,
which is used in all Sewing Machines—has been fully established. The Wheeler & Wilson, and the Grover & Baker Sewing Machines, as we allege, each infringe three distinct patents, owned by us. We have suits against them in several of the U. S. Courts, which will soon be tried. We hereby caution the public not to buy any infringing Machines, as they can be compelled by law to stop using them, and to pay costs and damages.
☞ Local Agents wanted to make sales of our improved Sewing Machines. To persons properly qualified for the business, a rare opportunity for profitable and pleasant employment is offered. New and improved Machines exchanged on liberal terms for old Machines of every kind.
