T. R. FENTRESS,

MERCHANT TAILOR,

No. 15, Fayetteville Street.

IS now prepared to offer to the community a splendid assortment of Goods, consisting of Cloths, Cassimeres and Vestings, in every respect suitable for gentlemen. I think it unnecessary to specify the different colors of cloths or the quality, suffice it to say, I have everything that is usually kept in a regular tailoring establishment, all of which shall be cut and made in the manner a gentleman ought to wear.

I have lately returned from the North, having been prevented from going at the usual time by sickness in my family. I have consequently had the advantage of buying at a much cheaper rate than formerly, and I can sell goods much cheaper than heretofore. Indeed, *I intend to sell cheaper than any body else*; and therefore I solicit calls from the members of the Legislature generally, and from the members of the Democratic party in particular.

Visitors to the City of Raleigh will please call on me, and I will certainly give them good bargains, either in clothing of my own manufacture or in ready made; as I am receiving a large assortment of clothing of the best kind, and for furnishing goods none can be found cheaper.

I also have a large assortment of Fancy Goods, which I will sell at a small profit, consisting of gentlemen's Ruches, Fancy Shawls, Cravats, Gloves, and everything in the line of a gentleman's wear except boots and hats. My store is too large to enumerate, and you will please call and examine for yourselves, as you will be the best judge.

Call at the well known house, No. 15, Fayetteville street, where you will find cheap bargains for your cash; as I wish to do a cash business for the future. My terms have heretofore been six months credit, but it is impossible for me to conduct business on this plan, as I have to meet my payments regularly every ninety days.

Those indebted to me at home or at a distance, will please call and settle their accounts, many of which have been standing a long time. I have made this call on my friends through the press and by letter, and it has not been responded to. Please attend to this appeal, as my business can not be conducted on the credit system any longer.

I return my thanks to a generous community for past favors, and I shall endeavor to merit a continuance of favor.

T. R. FENTRESS.

I wish to employ two or three good journeymen tailors, to whom the best prices will be given.
