SUMMER RETREATS.

YELLOW SULPHUR SPRINGS.—THIS place is now open for the reception of visiters. It is situated almost Precisely on the summit of the Alleghany Mountain, in Montgomery county, Virginia, and about 24 miles from Christiansburg Depot, on the Virginia and Tennessee Railroad. To persons seeking health or pleasure it affords one of the most delightful retreats any where to be found in the Mountains of Virginia. The powerful curative properties of this water have long been established. For all cutaneous diseases, diseases of the stomach and bowels, it probably excells any in Virginia. For CHRONIC DIARRHŒA it is regarded as a Specific.

Ample arrangements have been made to convey visitors to and from the Springs in splendid four horse coaches, managed by careful and experienced drivers. Also, an extra line of coaches to run to any of the adjacent watering places.

THOS. M. FOWLKES,
J. P. EDMUNDSON, } Proprietors.
je 17-ow6f CHAS. B. GARDNER.

MONTGOMERY WHITE SULPHUR SPRINGS.—This watering place will be open for reception of visitors on the 10th day of June next.

It is situated on the Eastern slope of the Alleghanies, near the Virginia line in Montgomery County, Virginia, seventy miles west of Lynchburg, and two hundred and seven miles south of Richmond, within one and a half miles of the Virginia and Tennessee Railroad, from which there is a branch Railroad to the door of the Reception House.

These waters have been renowned for the many years by the people of the surrounding country, and since the place has been improved, by a very large number of visitors from many sections of the Union, most of whom can testify to their efficacy in a number of diseases.

The improvements are of the first order; the rooms are large and airy, and many of them arranged with particular regard to the comfort and convenience of families.

The dining room has been much enlarged since last season, and will be under the management of

Charles G. Thompson, Esq.,

of Richmond, whose capacity as Caterer is unsurpassed. To the seekers of Health and Pleasure, this place presents inducements seldom to be met with at a Watering Place, and second to none in the Union.

In addition to the Railroad facilities by which visitors from all sections of the country can be brought to the door of the Reception House, there will be a daily Line of Superior Four Horse Coaches, by way of the New River White Sulphur Springs and the celebrated Salt Peaks, to the Red Sulphur Springs, White Sulphur and Sweet Springs.

The Lynchburg and Abingdon Telegraph Company have constructed a branch of their line to these Springs and opened an office in the Reception House.

Ample provision has been made for the comfortable accommodation of our thousand persons, and no effort will be spared to render their sojourn pleasant and agreeable.

Montgomery White Sulphur Springs Co.

ALLEGHANY SPRINGS.—THIS WATERING Place, so favorably known to the public, will be opened for the reception of visitors on the first day of June. The present proprietors are happy to announce that they have secured the services as general manager, of **Mr. John P. Lee,** (of the American Hotel, Richmond, Va.,) whose long experience in the hotel business, and well established reputation as a gentleman and caterer, are sufficient guarantee that every effort will be made to give entire satisfaction to the guests.

The unrivalled medicinal properties of this water, and its efficacy in all diseases of the stomach, liver, bowels, nervous system, &c., is well attested by the many cures, almost miraculous, which have been effected by its use. We refer with confidence to all the patrons of the former proprietors. A complete bathing establishment has been added to our arrangements for the comfort of our visitors since last season.

For further particulars, we refer to the cards to be found in hotels, cars, steamboats, &c.

A splendid line of four horse coaches will convey visitors from Shawsville to this place, 24 miles, over a good road, with only one hill between the two points.

BRIDGES & HOLT,
je 3—42dam R. A. S. Proprietors.

PIEDMONT SPRINGS.—THE UNDERSIGNED has become the Proprietor of the above named Springs. They are situated near the centre of Stokes county, N. C., in a high, healthy, mountainous region of country, within a short distance of Dan River, the Cascade, and

"THE TORY'S DEN,"

a very noted place in the revolutionary war. They also command a fine view of the Blue Ridge, Pilot Mountain, and Sauratown Mountains. The roads leading to the Springs have lately been greatly improved, so that they are now easily accessible to the travelling public, and during the summer season a stage from Salem will run regularly to the Springs to accommodate passengers. The Proprietor has been at great expense in furnishing and refitting the buildings and improving the grounds, and he pledges himself to spare no pains to render comfortable and pleasant all persons who may visit the Springs, whether for health or pleasure. The mineral water of these Springs have been pronounced by competent judges to be equal to any in the United States. The season will open on the first of June next.

The Hall has been much improved and beautified, and ample preparations made for the comfort and pleasure of all who may visit this delightful resort.

HYGEIA HOTEL, OLD POINT COMFORT, VA. This delectable watering place, the "bright particular" locality of all the sunny South—reposing in all the tempting luxuries of the salt water region—famed by the constant sea-breeze, being in broad view of Hampton Roads and the Chesapeake Bay—and totally exempt from disease at all seasons of the year—will be opened on the 1st of June, and remain open the entire year.

ALUM MASS.—I WOULD CALL THE attention of invalids to an excellent article of ALUM MASS I have for sale, which is obtained from the water by a process of evaporation. It is warranted to contain all the valuable properties of alum water at one-fourth of the cost, and it can be conveniently sent by mail.

One ounce to one gallon of pure spring water will make it the strength of the water at the Springs. Price 50 cents per ounce; less by the pound. Liberal discount to the trade.

WHEAT.—AS NEW WHEAT WILL soon be ready for market, we take the occasion to say to our friends in the country that they will serve their interests by being careful to send none to market, but what may be in a perfectly dry condition. Our Millers all object to damp wheat, and parcels of this kind must either be sold under the market value or stored and dried at the owner's expense.
