IMPORTANT SALE.---HAVING DETERMINED to remove South, I shall, on Tuesday the first day of December next, offer for sale the plantation on which I now reside, known as Prospect Hill, containing One Thousand Acres, situated in the upper part of Halifax County, North Carolina, four miles north of Brinkleyville, and nine miles South of Littleton on the Raleigh and Gaston Railroad. Two hundred acres of the land lie immediately on a never-failing stream of water; the balance being in upland virgin forest and cleared land. The land is well adapted to the growth of cotton, corn, wheat and tobacco.
Two miles South of the dwelling and adjoining the tract is situated a good Flour and Grist Mill; also, four miles North a Grain Mill, at which the producer can dispose of his grain at fair prices. The dwelling house, two stories high, containing 9 rooms, is one of the best finished houses (located in the country) in the State, the construction of which cost ten thousand dollars.—Some 12 or 15 out houses, in sight, afford every convenience. Nature never furnished a more beautiful scenery than surrounds the buildings. At the same time and place I will sell two tracts of land adjoining the above mentioned, the one containing 400, the other 200 acres, the land divided in arable soil and original forest. The three will be sold separately, affording to one wishing to purchase the advantage of one, two or three tracts in one body. The neighborhood in which these lands are situated are proverbial for the morality, intelligence, and wealth of its citizens, also for its healthiness. No neighborhood can boast of better society.
I shall also offer for sale eight fine Mules, two splendid harness horses, a few stock, crop of corn, fodder, tobacco, implements of husbandry, and things pertaining to a farm generally. The real estate and perishable property is offered for sale privately until December first, at which time, if not disposed of, will it be offered at public auction without reserve. Terms made known on day of sale.
