The numbers from 1 to 50,000, corresponding with those numbers on the Tickets printed in separate slips of paper, are encircled with small tin tubes and placed in one Wheel.

The other are then revolved, and a number is drawn from the wheel of numbers, and at the same time a prize is drawn from the other wheel. The number and prize drawn out are opened and exhibited to the audience, and registered by the Commissioners; the prize being placed against the number drawn. This operation is repeated until all the prizes are drawn out.

Approximating Prizes.—The two preceding and the two succeeding numbers to those drawing the first 7 prizes will be entitled to the Approximating Prizes. Thus if Ticket No. 11250 draws the $60,000 prize, those Tickets numbered 11248, 11249, 11251, 11252, will each be entitled to $400. The 5,000 Prizes of $200 will be determined by the last figure of the number that draws the $60,000 prize. For example: if the number drawing the $60,000 prize ends with No. 1, then all the Tickets, where the number ends in 1, will be entitled to $200.—If the number ends with No. 2, then all the Tickets where the number ends in 2 will be the entitled to $200, and so on to 0.

BELMONT SELECT SCHOOL,
GRANVILLE COUNTY, N. C.,
Ten miles South of Clarksville, Va.,
R. H. GRAVES, PRINCIPAL.
THE PRINCIPAL, AFTER TEACHING TWO years, having determined to establish a permanent Select School in the country, selected the above location, out of many which he had carefully examined, as being pre-eminently suitable for the purpose designed, reference being had especially to the health and the advantages of social, moral and religious influence.—To attain these ends, though at the expense of improving a new place, the site was procured in the midst of a community noted for intelligence, refinement and moral worth, remote from stores, tipling shops, and other places of temptation to extravagance and vice.
The School has been two years in successful operation, and the character of the location above given, is freely awarded to it by all acquainted therewith.
Board can be had in families of the highest respectability.
As the number of classes is limited, it is important that applicants state the progress already made.
TERMS: For Board and Tuition, per term of 20 weeks, $85, payable in advance.
The next Session will commence on the 4th of January, 1858.
Address the Principal at Brownsville P. O., Granville County, N. C. dec 5—6w
