JAMES A. BARTLEY, A. M., PRINCIPAL.

BUFFALO ACADEMY IS A PREPARATORY SCHOOL, for those who may wish to enter any of the Universities or Colleges. But it affords the opportunity to arrive at a degree of culture more than Preparatory. Young men who may wish to remain with us, may make themselves real Classical Scholars or Mathematicians. It is believed that an assistant teacher will be needed to perform half the labor of instructing the large number of students who will enter Buffalo Academy.
Of Mr. James A. Bartley, the Principal, we may say that he brings the highest compliments from several of the most distinguished educators of the day.—He brings the following letter from Prof. Edmund Longley, A. M., who, unquestionably, is one of the most versatile and ripe scholars of the age.

EDGEY AND HARVEY COLLEGE, Va., April 16, 1857.

To whom it may concern:
James Asia Bartley, A. M., graduate of several years standing, of this institution, is a gentleman of fine attainments and excellent personal character.—Understanding that he proposes to establish an Academy for the instruction of young men, I take pleasure in commending him to the respect, esteem, confidence and encouragement of any community in which he may make his home.
EDMUND LONGLEY, Professor of Mathematics, etc.

Mr. Bartley, in this connexion, refers the public to Ex-President John Tyler; William Green, Esq., Richmond, Va.; Prof. Wm. H. M'Guffey, University of Va.; Rev. Charles Collins, D. D., President of Dickinson College, Pa.; Lucian Minor, Professor of Law in William and Mary College, Va.; and George W. Brooks, Esq., Raleigh, N. C.
The laws of this Academy will be strict, but kind.

This operation is repeated until all the prizes are drawn out.
Approximation Prizes.—The two proceeding and the two succeeding numbers to those drawing the first 7 prizes will be entitled to the 28 Approximation Prizes. For example: If Ticket No. 11250 draws the $70,000 prize, those Tickets numbered 11248, 11249, 11251, 11252, will each be entitled to $400. If Ticket No. 340 draws the $30,000 prize, those Tickets numbered 548, 549, 551, 552, will each be entitled to $300, and so on according to the above scheme.
The 5,000 Prizes of $200 will be determined by the last figure of the number that draws the $70,000 prize. For example: If the number drawing the $70,000 prize ends with No. 1, then all the Tickets, where the number ends in 1, will be entitled to $200.—If the number ends with No. 2, then all the Tickets where the number ends in 2 will be entitled to $20, and so on to 0.
Certificates of Packages will be sold at the following rates, which is the risk:

Certificate of Package of	10	Whole Tickets,	$80
