## FOR THE HAIR.

JOY TO THE ADMIRERS OF A FINE HEAD OF
RICH GLOSSY HAIR.
Talk of beauty, it cannot exist without a fine head of hair, then read the following, and if you ask more, see the elevator around each bottle, and no one can doubt.
PROFESSOR WOOD'S HAIR RESTORATIVE.---We call the attention of all, old and young, to this wonderful preparation, which turns back to its original color, gray hair---covers the head of the bald with a luxuriant growth---removes the dandruff, itching, and all entheuser irruptions---causes a continual flow of the natural fluids; and hence, if used as a regular dressing for the hair will preserve its color, and keep it from falling to extreme old age, in all its natural beauty. We call them upon the bald, the gray, or diseased to apply, to use it; and surely the young will not, as they value the flowing locks, or the witching curl, ever be without it. Its praise is upon the tongue of thousands.
The Agent for Prof. Wood's Hair Restorative in New Haven, received the following letter in regard to the Restorative a few weeks since:
DEAR SIRS, GUILFORD, Conn., July 23, 1857.
MR. LEAVENWORTH:---Sir: I have been troubled with dandruff, or scurf on my head for some years past, my hair began to come out, scurf and hair together. I saw in a New Haven paper about "Wood's Hair Restorative" as a cure. I called at your store on the 1st of April last, and purchased one bottle to try it, and found to my satisfaction it was the thing; it removed the scurf and new hair began to grow; it is now two or three inches in length where it was all off. I have a good head on it. I will say to send me two bottles more by Mail Post, the nearest way. I don't like to be [illegible] any of the kind is used in this place, you will have a market for many bottles after it is known here.
Yours with respect,
RUFUS PRATT.
PHILADELPHIA, Aug. 9, 1856.
Prof. WOOD:---DEAR SIR: Your Hair Restorative is proving itself beneficial to me. The scurf, and also the back part of my head almost [illegible] covering---in fact bald. I have used but [illegible] bottles of your Restorative, and now the [illegible] is seen studded with a promising crop of [illegible] hair, and the front is also receiving its benefits. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it.
Yours respectfully,
D. R. THOMAS, M. D.,
No. 404 Vine Street.

VINCENNES, Ia., June 22, 1853.
Prof. O. J. WOOD:---Sir: As you are about to manufacture and vend your recently discovered Hair Restorative, I will state, for your benefit, if it may concern, that I have used [illegible] others to use it---that, I have, for several years, been in the habit of using other Hair Restoratives, and that I find yours vastly superior to any other I have used. It entirely cleanses the head of dandruff, and [illegible] one month's proper use will restore any person's hair to the original youthful color and texture, giving it a healthy, soft and glossy appearance; and all without disconcerting the hands that apply it, or the [illegible] on which it drops. I would, therefore, recommend its use to every one desirous of having a fine [illegible] and texture to hair.
Respectfully yours,
To Prof. WOOD. ELIJAH KING.
Sold by J. WOOD & CO., Proprietors, 312 Broadway, N. Y., (in the great N. Y., Wire Railing, Establishment,) and 114 Market Street, St. Louis, Mo.
And sold by all good Druggists.

ROSSER'S CONCENTRATED ESSENCE OF BAY LEAVES.---Propositions of the Bay Leaf have been extensively used throughout the world for centuries past as remedies for Nervous Headache, and for affections of the head generally and diseases of the Scalp and Hair. "BAY RUM" particularly has occupied a prominent position in the estimation of many and is still eagerly sought after by its thousands of admirers. The [illegible] of the Bay, of the active principle of the Bay Leaf, and the [illegible] of the Bay Leaves, [illegible] which [illegible] Rosser's Concentrated Essence of Bay Leaves as prepared by the inventor, has been effected by a Series of Chemical Experiments, and has at last been brought to that state of concentration which makes a Remedy unequalled in arresting the decay of the Hair, the removal of Dandruff and of relieving by a few applications that distressing Itching which most generally precedes the falling of the Hair. It was originally prepared for a member of his family (having no confidence in the nostrums usually sold) who had a most distressing decay of the hair, and such were its wonderful curative effects that its reputation at once became established, and hundred of calls were soon made for it without any system of puffing whatever. Its intrinsic virtues alone, have pushed it into public favor, and such is the demand for this truly great remedy, that the inventor has been induced to manufacture it upon an extensive scale, and he now offers it with the fullest confidence to the entire public.
