PLAN OF THE LOTTERY.

The numbers from 1 to 50,000, corresponding with those Numbers on the Tickets printed on separate slips of paper, are enclosed with small tin tubes and placed in the Wheel.

The first 437 prizes, similarly printed and enclosed, are place in another wheel.

The wheels are then revolved, and a number is drawn from the wheel of Numbers, and at the same time a Prize is drawn from the other wheel. The number and prize drawn out are opened and exhibited to the audience, and registered by the Commissioners: the Prize being placed against the number drawn. This operation is repeated until all the prizes are drawn out.

Approximation Prizes.—The two preceding and the two succeeding numbers to those drawing the first 7 Prizes will be entitled to the 28 Approximation Prizes. For example: if Ticket No. 11250 draws the $50,000 Prize, those Tickets numbered 11248, 11249, 11251, 11252, will each be entitled to $400. If Ticket No. 350 draws the $50,000 Prize, those Tickets numbered 348, 349, 351, 352, will each be entitled to $300, and so on rotanding to the above scheme.

The 5,000 Prizes of $20 will be determined by the last figure of the number that draws the $50,000 Prize. For example: if the number drawing the 50,000 Prize ends with No. 1, then all the Tickets, where the number ends in 1, will be entitled to $20. If the number ends with No. 2, then all the Tickets where the Number ends in 2, will be entitled to $20, and so on to 0.

Certificates of Packages will be sold at the following rates, which is the risk:

Certificate of Package of	10	Whole Tickets,	$5
do	do	10 Half do	40

TRAINING HORSES!

I WOULD SAY TO THOSE OWNING BLOODED stock, that I have, by frequent solicitations, opened a track near Henderson, N. C., for the purpose of training, and would take a few horses to train for the fall races. After twenty years experience in training, I profess to know something about the management of race horses, and would add that I have trained for the most successful racers in the United States, and can give any references for skill, honesty and integrity. I will commence training about the 20th of August. For terms, &c., address,

We take trotting horses to train and horses to break and ride on accommodating terms, and will give them our strict personal attention.
