tive will do all this. See circular and the following : ANN ARBOR, November 5, 1856. PROF. O. J. Wood-Dear Sir: I have heard much eaid of the wonderful effects of your Hair Restorative, but having been so often based by quadvery and quack nestrama size dyes, etc. I was disposed to place your Restorative in the same integery with the thou-sand and one loudly trampeted quack remedies, until I met you in Lawrencecounty some months since, when your Restorative in my family—first by my good wife, whose hair had become very this and entirely white, and before exhausting one of your large bottles, her and before exhausting one of your large bottles, her heir was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Oth-ers of my family and friends are using your Restora-tion with the head and friends are using your Restorative, with the happiest effects ; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidentially recommend its use by all who would have their hair restored from white or gray (by reason of sickness or age,) to original color or beauty, and by all young persons who would have their hair beautiful

FRIEND WOOD : It was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in De-troit, and when I got it we concluded to try it on Mrs. Mann's hair, as the surest test of its power. It has done all that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again, very respectfully and truly yours, SOLOMON MANN. CARLYLE, 111., June 28, 1852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was be-RINS that their Sauce coming, as I thought, prematurely gray, but by the use is highly esteemed in of his Restorative it has resumed its original color, and
