PROF. O. J. WOOD-Dear Sir: Some time last sum-mer we were induced to use some of your Hair Resto-vative, and its effects were so wonderful, we feel it our duty to you and the afflicted, to report it.

Our little son's head for some time had been nerfectly covered with sores, and some call it scald head. The hair almost came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative, we did so with so little hope of success, but, to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and inxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child .---We can, therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair.

We are, yours respectfully.

GEORGE W. HIGGINBOTHAM, , SARAH A. HIGGINBOTHAM.

GARDINER, Maine, June 22, 1885. PROF. O. J. WOOD-Dear Sir: I have used two bottles of Professor Wood's Hair Bestorative, and can truly say it is the greatest discovery of the age for re-storing and changing the hair. Before using it I was a man of seventy. My hair has now attained its ori-ginal color. You can recommend it to the world without the least fear, as my case was one of the worst kind. Yours respectfully.
