Worn by Kings or Emperors.

What? Why a Beautiful Head of Hair. Because it is the ornament God himself provided for all our race. Reader, although the rose may bloom ever so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shriveled, harsh and dry, or werse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated Pianist, Thal-

NEW YORK, April 19, 1858.

DR. Wood—Dear Sir.—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original oclor; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative," it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficatious as well as agreeable.

I am, dear sir, yours truly, S. THALBERG.

"Drych a'r Gwyliedydet." Welsh Newspaper Office, 13 Nassau st., April 12, '58.

Prof. O. J. Woop—Dear Sir:—Some month or six weeks ago, I received a bottle of your Hair Restorative and gave it to my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray hair to its original color, but to her as well as my surprise, after a few weeks' trial it has per-formed that wonderful effect by turning all the gray hairs to a dark brown, at the same time beautify above Restorative to all persons in want of such a change of their hair. CHARLES CARDEW.

New York, July 25, 1857. PROF. O. J. Wood: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever saw. Since using your Hair Restora-tive my hair and whiskers, which were almost white, have gradually grown dark; and I now feel confident that a few more applications will restore them to their that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely.

J. G. KILBY.

PROF. Wood:—About two years ago my hair commenced falling off and turning gray; I was fast be coming bald, and had tried many remedies to no effect. I commenced using your Restorative in January last. A few applications fastened my hair firmly. It began to fill up, grow out, and turned back to its former color, (black.) At this time it is fully restored to its original color, health and appearance, and I cheerfully ecommend its use to all. J. D. HOES. Chicago, Ill., May 1, 1857.

The Restorative is put up in bottles of 3 sizes, vis : large, medium and small; the small helds half a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent. more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion, and r tails for \$3.
