THE ONLY ARTICLE UNRIVALLED IN MARKET,

WITS IMMENSE HOME AND EUROPEAN DEMAND.

The reason why, is that by Nature's own process it estores the natural color permanently after the hair ecomes gray; supplies the natural fluids, and thus makes it grow on bald heads, removes all dandruff, itching and heat from the scalp, quiets and tones up the nerves, and thus cures all nervous headache, and may be relied upon to cure all diseases of the scalp and hair; it will step and keep it from falling off; nakes it soft, glossy, healthy and beautiful, and if used by the young two or three times a week, it will never fall or become gray; then reader, read the following fall or become g. 7, and judge for yourselves: New York, Jan. 8, 1858.

MESSRS O. J. WOOD & CO .- Gentlemen :- Having heard a good deal about Professor Wood's Hair Restorative, and my hair being quite gray, I made up my mind to lay aside the prejudices which I, in com mon with a great many persons, had against all mon-ner of patent medicines, and a short time ago I comnenced using your article, to test it for myself.

The result has been so very satisfactory that I am very glad I did so, and in justice to you, as well as for the encouragement of others who may be as gray as I was, but who having my prejudice without my reasons for setting it aside, are unwilling to give your Restorative a trial till they have further proof, and the best proof being occular demonstration, I write you this etter, which you may show to any such, and also direct them to me for further proof, who am in and out of the N. Y. Wire Railing Establishment every day. My hair is now its natural color and much improved in appearance every way, being glossier and thicker and much more healthy looking.

I am yours respectfully,

Cor. Columbia and Carroll sts., Brooklyn. LIVINGSTON, Ala., Feb. 14, 1858.

Prof. Woon-Dear Sir: Your Hair Restorative has done much good in this part of the country. My hair has been slightly diminishing for several years, caused I suppose from a slight burn when I was quite an infant. I have been using your Hair Restorative for six weeks and I find that I have a fine head of hair now growing, after having used all other remedies known to no effect. I think it the most valuable remedy now extant, and advise all who are afflicted that way to

use your remedy.
You can publish this if you think proper.

PHILADEL HIA, Sept. 9, 185°.
Hair Restorative Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me The front and also the back part of my head almost lost its covering-was in fact BALD. I have used but two half pint bot tles of your Restorative, and now the top of my head

is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it. Yours, respectfullly, D. R. THOMAS, M. D. No. 464, Vine street. The Restorative is put up in bottles of three sizes. viz: large, medium and small; the small holds onehalf a pint, and retails for one dollar per bottle; the

median holds at least twenty per cent. more in proportion than the small, retails for two dollars a bottle; the large holds a quart, 40 per cent more in proportion and retails for three dollars a bottle.
