IT IS NOT TOO MUCH TO SAY, OLD AND YOUNG.

AFFIRM ITS TRUTE,

Viz: That Prof. Wood's Hair Restorative VILL preserve infallibly the growth and color of the hair. if used two or three times a week, to any imaginable age Perfectly, restore the gray, cover the bald with nature's own ornament, the hair; make it more soft and beautiful than any oil, and preserve the scalp free from all disease to the greatest age .-Statesmen, Judges, Attorneys, Doctors, Clergymen, Professional men and Gentlemen and Ladies of all classes, all over the world, hear testimony that we do not say oo much in its favor. Read the following, and judge:

HICKORY GROVE, St. Charles, Co., Mo., Nov. 1857. Prop. O. J Woop-Dear Sir : Some time last sumner we were induced to use some of your Hair Restorative, and its effects were so wonderful, we feel it our duty to you and the afflicted, to report it.

Our little son's head for some time had been perfecty covered with sores, and some called it the scald head The hair almost entirely came off in corsequence, when a friend, seeing his sufferings, advised us to use your Restorative. We did so with little hope f success; but to our surprise, and that of all ou friends, a few applications removed the disease entire ly, and a new and lux riant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can, therefore, and do hereby, recommend your Restorative, as a perfect remedy for all diseases We are yours respectfully, of the scalp and hair.

CEO W. HIGGINBOTHAM, SARAH A. HIGGINBOTHAM. PROP. WOOD Dear Sir; My hair had, for several rears, been becoming prematurely gray, accompained by a harshness which rendered the constant application of oil necessary in dressing it. When I commenced using your Hair Restorative about two mounths ago it was in that condition; and having continued its use rill within the last three weeks, it has turned to its natural color, and assumed a sottness and lustre greatly to be preferred to those produced by the application of oils or any other preparation I have ever used. I regard it as an indispensable article for every lady's toilet, whether to be used as a Hair Restorative or for the simple purpose of dressing or heautifying the hair. You have permission to re,er to me all who entertain doubt of its performing all that is claimed for it

MRS C SYMONDS, Cincinnati, O , Feb. 10, 1857. 1'4 Third st. WELLINGTON. Mo , Dec 5, 1857. PROP. WOOD - Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it. I had the fever, some time last May, and nearly every hair in my head came out. Now my hair has come in a great deal thicker than ever it was. Nothing but a duty and sympathy that I feel to communicate to others who are afflicted as I have been, would induce me to give this public acknowledgement of the benefit I have received from Prof. Wood's Hair

Restorative. Yours respectfully,
A. R. JACORS. The Restorative is put up in bottles of 3 sizes, viz: large medium and small the small holds 1/2 a pint and Is retail for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars per bottle; the large holds quart, 40 per cent. more in proportion, and retails for
