Dr. Cartwright, of New Orleans, says: "In truth, I know of no water in Europe or America so rich in medical substances, as that of the Rockbridge Alum

Springs."

Dr. Moorman, resident Physician at the White Sulphur: "It is a matter of no little importance that the public should be fully apprised of the remarkable efficacy of the Rockbridge waters, in strumcus diseases especially. They have long stood a reproach to our profession, and never, but in these waters, has a remedy been found that deserves the name of a specific for

too much in its favor. Read the fellowing, and judge: HICKORY GROVE, St. Charles, Co., Mo., Nov. 1857. Prop. O. J. Wood—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effect were so wonderful, we feel it out duty to you and the afflicted, to report it. Our little son's head for some time had been perfect ly covered with sores, and some called it the scald

head The hair almost entirely came on in consequence, when a friend, seeing his sufferings, savised us to use your Restorative. We did so with little hope of success; but to our surprise, and that of all our friends, a few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can, therefore, and do hereby, recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are yours respectfully. CEO. W. HIGGINBOTHAM,

SARAH A. HIGGINBOTHAM. PR^F. Wood - Dear Sir; My hair had, for several years, been becoming prematurely gray, accompained by a harshness which rendered the constant application of oil necessary in dressing it. When I commenced using your Hair Restorative about two mounths ago it was in that condition; and baving continued its use till within the last three weeks, it has turned to its na tural color, and assumed a softness and lustre greatly to be preferred to those produced by the application of oils or any other preparation I have ever used. I re-gard it as an indispensable article for every lady's toilet, whether to be used as a Hair Restorative or for the simple purpose of dressing or beautifying the hair You have permission to rever to me all who entertain doubt of its performing all that is claimed for it

MRS. C SYMONDS, Cincinnati, O., Feb. 10, 1857. Feb. 10, 1857. 114 Third st-Wellington. Mo., Dec 5, 1857. PROF. Woon-Dear Sir: By the advice of a friend of mine, who had been using your Hair Restorative, I was induced to try it. I had the fever, some time las-May, and nearly every hair in my head came out. Now my hair has come in a great deal thicker than ever it was. Nothing but a duty and sympathy that I feel to communicate to others who are afflicted as I have been would induce me to give this public acknowledgemen

of the benefit I have received from Prof. Wood's Hair Restorative.

Yours respectfully,

A. R. JACOBS. The Restorative is put up in bottles of 3 sizes, viz large medium and small: the small holds 1/2 a pint and b retail for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small retails for two dollars per bottle; the large holds : quart, 40 per cent. more in proportion, and retails for O.
