The site of Warrior could best any Stallion of his day with ease. He trotted in several instances in public in 2.42, that being nearly twenty seconds faster than any other Stallion of bis day, and he has sired more Stallions, Mares and Geldings, that can trot low down below three minutes than any other Stallion that ever lived, and his fame is known from Maine to Texas, and fast Mares have been sent from a'l parts of the United States, to be coupled with Old Black Hawk. They are remarkable for their decility as well as great speed, and they nos-sess great powers of endurance, which make them for the best race of horses now or ever was in the United

BLACK WARRIOR will be six years old the 2th day of May next; stands 16% hands high, color jet black, with wavy more and tail, and can trot fast — He beat Tom Jefferson in a reversly contested race last senson in 2.52, 2.48. His stock is splendid—his colts are generally black, he being from a black horse and black mare, which gives his stock the richest and best color in the world; his colts sell, when four months old, from one to five hundred dollars. Warrior has taken the first premium at the St. Lewrence County Fair, showing six the best sacking colts; and has many promising two or three year old; one two years old sold for \$906. He received the 1st premium for a yearling exhibited, which was among 30 specimens of the ling exhibited, which was among 30 specimens of the best that could be produced in the county, and bre ders are invited to examine this horse before making bargains elsewhere, as it is for their advantage to use the best stock horse they can find. Warrior was purchased when three years old by Mr. Durfy, from Judge Sanford, of Vermont, for \$1,700; since then he has been owned in St. Lawrence county, New York.
