Many persons afflicted with the diseases enumerated above, in forms which had resisted the most skill-ful medical treatment, and had rendered the lives of the sufferers alike wretched and useless through long years of pain, have been restored to perfect health by their use. And in many of these cases not only medical science, but other Mineral Springs of the highest reputation had failed to afford relief.

Of the vast number now suffering with such mala-dies, there are few, indeed, who would not be other car-ed or greatly relieved by these waters. When drank, ed or greatly relieved by these waters. When drank, they are anti-acid, mildly aperient, and freely diurctic and diaphoretic. Used as a general bath, they equalize an unbalanced circulation; and restore to the different important organs of the system, when torpid, that natural and healthy sensibility without which they cannot perform their respective functions, and the beneficial action of all remedies will be diminished or destroyed. tion of all remedies will be diminished or destroyed.—
They act powerfully upon the Liver, Kidneys and fixin; relax contracted tendens and rigid muscles; rouse up suppressed secretions; excite the action of the absorbent vessels; exert a salutary influence over the uterine system, and often relieve, in a short time, exeruciating pain, caused by serious and long-stand-
