LAND, &C. FOR SALE.

SALE OF A VALUABLE FARM...ON Tuesday, October 2nd, 1860, I shall offer for sale on the premises, in the County of Perquimans, N. C.,

the Farm upon which I have lived for the past severa The farm is situated immediately upon the junction of the Perquimans River with the Albemarle Sound, and contains 800 acres of land, 600 acres of which are in a highly improved and cultivated condition and well adapted to the productions of Wheat, Corn, or Cot-

The Farm is mostly high-land and the healthiness of its atmosphere, and the fine facilities for shipping render it one of the most desirable estates in Eastern North Carolina. The buildings, including a substantial residence, a large new and commodious Barn an stables, Overseer's house and extensive negro quarters, are in a

thorough state of repair.

There are also attached two fisheries, one upon the Sound and the other upon the River, which have been operated successfully, and with small expense can be again put into operation.

Terms shall be made easy. Possession will be given on the 1st day of January,

1860, and the purchaser shall have the opportunity of raising as large a Wheat crop as he may desire immediately after the sale.

The owner respectfully invites the Farming Public to the advantages which are herein truly set forth in regard to his farm, and can refer them to any citizen of this or adjoining counties for a confirmation of the same. He will also take great pleasure in giving all persons who will visit the premises a thorough opportunity of examining its advantages for themselves. CHARLES W. SKINNER, Jr. Es.
