THE GLOBE.

THE OFFICIAL PAPER OF CONGRESS. PUBLISH NOW MY ANNUAL PROS-PECTUS of the Daily Globe, and The Congres-ional Globe and Appendix, to remind subscribers, and inform those who may desire to subscribe, that Congress will meet on the first Monday of next December, when I shall resume publishing the above-named papers. They have been published so long, that most public men know their character, and therefore I deem it needless to give a minute account of the kind of matter they will contain.

THE DAILY GLOBE will contain a report of the De bates in both branches of Congress as taken down by reporters, equal, at least to any corps of short hand writers in this or any other country. A majority of them will, each, be able to report, ceroast a, ten thousand words an hour, while the average number of words spoken by fluent speakers rarely exceeds seven thousand five hundred words spoken an hour. When the debates of a day do not make more than fortyfive columns they will appear in The Daily Globe of the next morning, which will contain, also, the news

the next morning, which will contain, also, the news of the day, together with such editorial articles as may be suggested by passing events.

THE CONGRESSIONAL GLOBE AND APPENDIX will contain a report of all the debates in Congress, revised by the speakers, the Messages of the President of the United States, the Annual Reports of the Heads of the Executive Departments, the laws passed during the session, and copious indexes to all. They will be printed on a double royal sheet, in book from royal quarto size, each number containing sixteen pages.—
The whole will make, it is believed, at least 2,000 pages. This is acknowleded to be the cheepest work ever sold in any country, whether a reprint or printed ever sold in any country, whether a reprint or printed from manuscript copy, taking for data the average number of words it contains.

The coming session will, without doubt, be an unusually interesting one, because the Debates will, in a great measure, be upon the policy of the President elect, and The Globe will be, as it has been for many years past, the only source from which full debates of Congress can be obtained.
THE CONGRESSIONAL GLOBE AND APPENDIX pas

free thro' the mails of the United States, as will be seen by reading the following Joint Resolution passed by Congress the 6th of August, 1852:
