VALUABLE PLANTATION FOR SALE.

—The undersigned wishes to sell a valuable plantation, in Jones county, about six miles from Trenton, near the Trent River, known as the Davis and Whitly plantations—now owned and occupied as one. These lands have been left by the late David W. Sanders, to be sold if I deem it best. The land is well adapted to cotton and corn. The facilities for manuring are as good as at any place in my knowledge,
there is a plenty of marl on the plantation, thought
to be of as good quality as any in the country. This intation contains eleven or twelve hundred acres el cleared land, with a large quantity of wood land. A credit of one, two, three, four and five years will be given, the notes to bear interest from date and purchaser to give satisfactory security. Persons wishing to examine the plantation can do so at any time, as Mr. Duff. McDaniel is on the place and will show it I will be there on the 7th and 18th of December. Let ters will reach me at Palo Alto, Onslow county, until the 18th of December.

THE GLOBE. THE OFFICIAL PAPER OF CONGRESS.

PUBLISH NOW MY ANNUAL PROS-PECTUS of the Daily Globe, and The Congressional Globe and Appendix, to remind subscribers, and gress will meet on the first Monday of next December, when I shall resume publishing the above-named papers. They have been published so long, that most public men know their character, and therefore

deem it needless to give a minute account of the kind of matter they will contain. THE DAILY GLOBE will contain a report of the De bates in both branches of Congress as taken down by reporters, equal, at least to any corps of short hand writers in this or any other country. A majority of them will, each, be able to report, verbatim, ten thousand words an hour, while the average number of words spoken by fluent speakers rarely exceeds seven thousand five hundred words spoken an hour. When the debates of a day do not make more than fortyfive columns they will appear in The Daily Globe of the next morning, which will contain, also, the news

of the day, together with such editorial articles as may be suggested by passing events. THE CONGRESSIONAL GLOBE AND APPENDIX WIL contain a report of all the debates in Congress, revised by the speakers, the Messages of the President of the United States, the Annual Reports of the Heads of the Executive Departments, the laws passed during the session, and copious indexes to all. They will be printed on a double royal sheet, in book from, royal quarto size, each number containing sixteen pages .-The whole will make, it is believed, at least 2,000 pages. This is asknowleded to be the cheapest worl ever sold in any country, whether a reprint or printed

number of words it contains. The coming session will, without doubt, be an un usually interesting one, because the Debates will, in a great measure, be upon the policy of the President elect, and The Globe will be, as it has been for many years past, the only source from which full debates of Congress can be obtained. THE CONGRESSIONAL GLOBE AND APPENDIX PASS free thro' the mails of the United States, as will be

seen by reading the following Joint Resolution passed by Congress the 6th of August, 1852: Joint Resolution providing for the distribution of the Laws of Congress and the Debates thereon. With a view to the cheap circulation of the laws o Congress and the debates contributing to the true interpretation thereof, and to make free the communication between the representative and constituent bo-

Be it resolved by the Senate and House of Represent atives of the United States of America in Congress assembled, That from and after the present session of Congress, the Congressional Globe and Appendix, which contain the laws and the debates thereon, shall pass free through the mails so long as the same shall be published by order of Congress; Provided, That nothing herein shall be construed to authorise the circulation of the DAILY GLOBE free of postage. Approved, August 6, 1852. TERMS.
