THE UNDERSIGNED HAVING DURING THE past summer heard many express a wish that a Dr. Mitchell, upon the High Peak of the Black Mountain, and regret that it had not already been done, has determined to give his personal attention to the matter, and trusts that, by the aid of the thousands of

pupils and friends of that venerable man, he may be enabled to erect it. The undersigned proposes to erect a plain, subtantial structure, with the rock found on the spot, and to build it in such a manner that it may also be used as an Observatory. He pledges himself to all contribu-tors that no pains shall be spared upon his part to have the structure firm, and a fit monument to one, whose moral, intellectual and physical character, was so fit a simile to the granite on which his body rests. The undersigned will give his personal attention to the work, and trusts that his knowledge of the country and its people, will enable him to have it constructed as cheaply as is possible to have it done by any one

Means will be taken to preserve the names of those who contribute. The undersigned is determined that the monument shall be erected if any amount near sufficient is obtained. Kemp P. Battle, Esq., of Raleigh, will receive contributions and Messrs. Litchford and Finch, reporters in the House and Senate of the Legislature will receive any contributions from members of those bodies. Letters addressed to me containing contributions will be promptly acknowledged. HENRY E. COLTON, Wilmington, N. C.
