THE VIRGINIA AND NORTH CAROLI-NA IRREPRESSIBLES.

JUNCTION P. O. Hanover County, Va., July 29, 1861. Under this name it proposed to get up a regiment of ten companies of 100 men each, including officers, making 1,000 men. We are to wear citizens' clothes and to use such arms as we can furnish ourselves .-A pair of Colt's pistols, a bowie knife and a double barrel gun, with a Minnie ball or a good rifle; to pledge ourselves to serve during the war wherever the President may choose to place us; to serve without pay.

The main object of this organization is to avenge

the death of General Robert S. Garnett, of Virginia,

Those who wish to form such a regiment, will signify their assent by writing to me at the above post office and when we have 500 men we will report our selves for duty, and go on increasing the number until it amounts to 1,066.

The design is, that the number shall always be kept up by new enlistments whenever vacancies occur by death or inability, and no other cause shall release a man from his obligation. I will act as private, or in any capacity the regiment may direct. When our number reaches 500, we will request the President to appoint a Colonel of his own selection, and muster us into service at Richmond I will advertise the time

of meeting there as soon as I receive the names of 500 men. Each company will choose its own Captain and subordinate officers. THEODORE S. GARNETT. The newspapers in Virginia and North Carolina will doubtless publish the above without charge, twice a week for three weeks.

PRESH MEDICINES AND TOILET ARTICLES. The Subscriber has the pleasure of announcing to his friends and the public generally, that after much delay trouble, and expense, ewing to the war, and interruption of trade, he has procured a fresh supply of Medicines, Toilets and other articles in his line, which he has been unable to furnish for some time past .-He has to pay CASH for all he buys, and hopes that such of his patrons as do not pay promptly, the hint, and that all in arrears, who have not gone to the seat of war to fight for our independence and dearest interests, will pay up their arrearages or a part at least, so that he may be able to meet pressing de-
