## REPORTED SKIRMISH.

There were accounts brought by the train from Weldon, also by the Norfolk and Detersburg Rulroad yesterday afternoon, of a severe skirmish which took place at or near Frankin, on the Blackwater River, last Tuesday. It is stated that a portion of Dodge's New York Mounted Riflemen, encountered some of our cavalry and a portion of Capt. Wright's Rocket Battery. After a brisk engagement, which lasted for an hour or more, our men retired, losing one section of Wright's Battery, and 16 men, killed and wounded: The Yankee loss could not be ascertained, as they were left in possession of the field. It is stated, however, that two of their herses fell into our hands. The names of our killed and woundof, or the companies to which they are attached, we could not ascertain. Further particulars will probably reach us to-day.
