The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, though an OLD MAN, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is, in my opinion, the best medicine in the world for Caps.
