# Brandreth's Pills.

A Vegetable & Universal Medicine. THESE Pills cure all diseases by purifying the blood They give to all the organs of the body the proper amount of life necessary to their purification. They are a FOUNTAIN OF HEALTH TO ALL. MAN-KIND, and may be justly said to give the beauty and vigor of youth to the weakness and decreptitude of age. Can it be believed that after being before the public for ninety-one years, their sale should only now be a little rising a million of boxes per year?-But so it is, and it is only to be attributed to fatal prejudice, or their sale would be at least twenty millions of boxes per year instead of only one million .-Let all the sick use them-they will soon be among the healthy; let all who would secure themselves from sickness have them by them, in case of a sudden attack; for a few doses taken when the body commences to get out of order, and the benefit is secured at once. Fathers and mothers, attend to this subject; sons and daughters, attend to this subject; let all men and women ask themselves the question, whether what has stood the test of time so

ong does not deserve some attention. And who is to be benefitted? Those who use the Brandreth Pills. They are the ones that receive the interest of a thousand per ant. How? In a present payment of health, of vivacity for duliness, of brightness and clearness of perception, in place of cloudiness and confusion of mind.

Brandreth's Pills are a life preserver. Those who know their qualities feel secure in the rhealth and faculties being preserved to them to a indefinite period. They are equally good in all kinds of disease, no matter how called, because they cannot be used without taking out impurities from the blood, and perseverance will cause its perfect purification, and no disease can be present when the blood is pure. UNITED STATES MARSHALL'S OFFICE, ? New York, Dec. 26, 1847. Messrs Wyatt und Ketcham : Gentlemen-Unsale of Dr. Upham's Vegetable Electuary, for the medicine. I have been afflicted for many years with my case hopeless. But, about the first of September CURLING LIQUID, a preparation last, I was prevailed upon by a friend to make a triwhich will cause the Hair to curl most beautifully, al of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but as I believe, perfectly cured. REMARKABLE CURE OF PILES-THIRT YEARS STANDING!!

MOUNT WASHINGTON, Berkshire Co., Mass. Nov. 29th, 1847. MESSES. WYATT & KETCHAM : Gents-For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumors and prolapsus of the howels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicia's and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, though an old MAN, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.

Yours, with the utmost expression of thankfulness, CORNELIUS SPUR.

EGRANONT, Berk Co. Mass., ? Nov. 29, 1847. 5

The above certificate tells a simple and truthful story of suffering and relief, of which, as physician and witness in the case, I cheerfully endorse. DR. CHAPMAN.
