UNITED STATES MARSHAL'S OFFICE,
New York, Dec. 26, 1847.
Messrs Wyatt and Ketcham: Gentlemen—Understanding that you are the General Agents for the sale of Dr. Upham's Vegetable Electuary, for the cure of the Piles, I have deemed it my duty to volunteer a commendation in behalf of that valuable medicine. I have been afflicted for many years with the Piles, and have tried various remedies, but with no beneficial effects. Indeed, I began to consider my case hopeless. But, about the first of September last, I was prevailed upon by a friend to make a trial of the above named medicine; I took his advice, and rejoice to say that I am not only relieved, but I believe, perfectly cured. I most earnestly recommend it to all who may have the misfortune to be afflicted with that annoying and dangerous disease.
Very respectfully,
Your obt. servant,
ELY MOORE.

REMARKABLE CURE OF PILES—THIRTY YEARS STANDING!
MOUNT WASHINGTON, Berkshire Co., Mass. 2
Nov. 29th, 1847. For 30 years I have been afflicted with Piles, general Debility, and Inflammation, causing tumors and prolapsus of the bowels, and which had resisted all the medical treatment Dr. Chapman and others could give. The last three years of that time my sufferings defy description. I was confined to bed unable to help myself, and at last given up by my physicians and friends in despair of ever gaining my health; in fact, for a time before I commenced using Dr. Upham's Electuary, I was entirely speechless, and my burial clothes were made. But under the beneficent mercies of Providence, and the use of Dr. Upham's Electuary, though an old man, I have the pleasure of stating the fact to the public that my health is now good, and I hope to live many years, if it is God's will, to make known the virtues of Dr. Upham's Electuary, and to recommend it to my afflicted fellow creatures. It helped me beyond the expectations of all who knew my case, and I can only say to others, that it is in my opinion, the best medicine in the world for Piles, or any other disease of the bowels; and if they will use it according to the directions, I will myself warrant a cure, in every case.
Yours, with the utmost expression of thankfulness,
CORNELIUS SPUR.

THE WORLD'S ILLATION!
THAT THE PILES IS DISARMED OF ITS TERRORS, BY DR. UPHAM'S VEGETABLE ELECTUARY.
The great sensation which was created among the Medical Faculty, and throughout the civilized world, by the announcement of Dr. Upham's Electuary, for the Cure of Piles, (a Disease that resisted all former Medical treatment,) has settled down into a thorough confidence, that it is a positive and speedy cure in all cases of the Piles, either Bleeding or Blind, External or Internal, and also for all diseases of the Stomach, and Bowels, such as
SEVERE AND HABITUAL COSTIVENESS, DYSPEPSIA, LIVER COMPLAINT, INFLAMMATION OF THE SPLEEN, KIDNEYS, BLADDER, BOWELS, AND SPINE; ULCERATION OF THE INTERSTINES; FLOW OF BLOOD TO THE HEAD, &c. AND FOR THE RELIEF OF MARRIED WOMEN.
The Symptoms, Cause and Nature of the Piles, together with its conjunctive diseases, will be found in the pamphlets, to be had of all agents and dealers gratis.

HASTINGS' Compound Syrup of Naphtha.
NOT ONLY A POSITIVE BUT A WARRANTED CURE FOR CONSUMPTION AND ALL OTHER DISEASES OF THE LUNGS!
M. A. F. HARRISON, 147 Green-wich-Street, New York.
SOLE AMERICAN AGENT.

THE success which has attended HASTINGS' NAPHTHA SYRUP, in Decline, Consumption, Spitting of Blood, Asthma &c., since its introduction into the United States, fully equals what it met with in Europe. Its use has been adopted in nearly all our large hospitals and the most eminent of our physicians have written highly favorable notices of it, and patronized it extensively in their private practice. Indeed, they have almost abandoned all other remedies for the usual diseases of the lungs; and a single case has not yet been reported in which it has failed to give satisfaction and relief. If the reader is at all inclined to Consumption, or affected with any of the diseases which are likely to produce it, let him lose no time in procuring a bottle of HASTINGS' NAPHTHA SYRUP, and use one or two doses will satisfy him of its surprising virtues, and that a short continuance of its use will restore him to health; for it not only cures in a brief period, but gives relief, and a warrant of its excellence, and mastery over the disease, in a few minutes after it is received into the system. Hence Sir James Clarke, the Court physician, remarks of it, that "in consequence of the brisk and unmistakable energy of its operations, no medicine has so much the confidence of patients as Hastings' Compound Syrup of Naphtha."
In confirmation of the above, we annex the following certificates selected from a large number now in the office of the American agent.
SILVER LAKE, Oct. 8th, 1847.
Dr. HARRISON—Sir: I herein send you ten dollars, and expect that you will send twelve bottles of "Hastings' Compound Syrup of Naphtha." I wish it sent by Livingston & Fargo's Express, via Buffalo and Detroit, to Ann Arbor—to James Hill, care of Edward Clark.
I will just say that the bottle sent for by Jacob M. Merritt of this place, proved to him every thing he anticipated, or that is recommended, and five dollars of the above is for him and the other five for my wife and a young man of this neighborhood. Merritt's case as seen a bad one. Much has been spent for physicians and medicine, and nothing has given him hope until he took the Bottle of "Hastings' Compound Syrup of Naphtha." Would a brief statement of this case be beneficial to you, I will draw it up and forward it. When you receive this, please drop me a line stating that fact as I am sixteen miles from Ann Arbor.
