NO changes in the weather will materially affect the body if the blood is pure. Every individual, even the most diseased, has within him a germ or root of that original pure blood of our common mother Eve; which germ of pure blood is the supporter of his life, and is in constant struggle to throw off the heterogeneous, corrupt humors, which are the causes of disease in the individual. By purging the body of this diseased individual, and by the use of the most powerful medicine, he can get rid of the germ of pure blood to gain ground and make blood of a better quality, and as an progressively till the whole mass is regenerated; for the good principle or good pure blood, is always striving to be predominant over the bad or diseased humors. Let all who wish to be of a healthy habit; who desire to have a sound mind in a sound body; who desire to be able to stand without injury the continual changes of this climate; who desire to have healthy children, use the Brandreth Pills, which will effectually cleanse the blood of all bad or corrupt humors, and restore the human body to the state of health enjoyed before the introduction of mineral medicines. Remember Brandreth Pills place within the reach of all, health and long life.
TRUST TO BRANDRETH'S PILLS, take them so as to produce a brisk effect, and your sickness will be the affair of a day or two, while those who are too weak to take this common sense advice, will be sick for months. Let the sick enquire of the agents for Brandreth's Pills whether these things are so or not. Let them enquire among their friends and ask the same question. Verily, if EVIDENCE is wanted, it shall be procured. To the sick, let me say, use the BRANDRETH PILLS.
Man will be born every day, but few are born with his health; he is weighed down as he has been by disease, infirmities, and suffering, which no earthly power knew how to alleviate, until this discovery was presented to the world. The weak, feeble, the infirm, the nervous, the delicate, are now few days strengthened by the use of Brandreth's Pills, and the worn constitution are renewed by perseverance without the expense of a physician. Adapted to all circumstances and situations, they are the best medicines ever invented for families, or to take to sea, preventing scurvy and consumption, retaining good health, and preventing the return of any disease, or any kind of complaint, or any kind of ailment.
N. B. There is no surety that you get the genuine BRANDRETH'S PILLS, unless you purchase of the daily authorized agent.
If the above Pills are for sale by WILL. PECK, Agent, Raleigh, wholesale and retail. Price 25 cents per box.

IMPORTANT SALE OF Reclaimed Swamp Lands, In North Carolina.

FIFTY THOUSAND ACRES of Swamp Lands, constituting a part of the Literary Fund of the State, situate in Hyde and Washington Counties, and embracing the region lying between Pamlico and Albemarle Sounds.
These lands have been drained at great expense, under the direction of competent Engineers, and laid off into Sections. The drainage has been effected by two main Canals, to-wit: Pungo Canal, extending from Pungo Lake to Pungo river, six and a half miles in length, with an average width at bottom of 22 feet, depth six and a half feet; and the Advertiser Canal, from Alligator Lake to Pungo river, 6 miles long, with an average width at bottom of 30 feet, depth seven, and full ten feet; together with sundry tributaries or lateral ditches. These Canals are navigable for Bateauz, and emptying into the navigable waters of Pamlico Sound, their mouths are accessible to sea-going vessels.
A large portion of this Land abounds in Juniper, Cypress and other valuable Timber, for which the forest of Eastern North Carolina is distinguished. The residue consists of Prairie, covered with the Cane and Bamboo, and in the estimation of the Engineers who surveyed it, the whole of it is extremely fertile.
To Grain Farmers, and to the getters of Staves, Heading and Shingles, this land offers peculiar inducements.
To Immigrants in the Ports of the United States, accustomed to a country similar in many respects, this Land offers a soil believed to be as fertile as any in the North-western States, with easy access to the Sea, and within three days' sail of New York. The Juniper water is pleasant, and the hands engaged during the last two Summers, in getting Shingles, have enjoyed excellent health.

Time and place:
The Sale will take place in the Town of Washington, in Beaufort County, by Public Auction, commencing on Monday, the 21st day of May next, and will be superintended by the members of the Board, in person.
Terms:
The Land will be sold in Sections of about 150 Acres, according to the Maps and Platens of the Engineers. A credit will be given of one, two, three and four years, to be paid in equal instalments, with interest from the day of sale.
Bond and approved security will be required, and the title withheld until the purchase money shall be paid in full. Certificates of purchase will be given, and the titles, when made, will be warranted.
Tarppike Road.
At the same time and place, the Board will receive Proposals for completing the Tarppike Road from Pungo Lake to the Town of Plymouth.
Given under my hand, at the Executive Office, in the City of Raleigh, this 6th day of March, A. D., 1849.
CHAS. MANLY,
Governor of North Carolina, and ex officio Pres' of the Board.
By order of

THE Subscriber has on hand a supply of the above valuable supporters, which are recommended for all persons, afflicted with muscular debility, Round shoulders, or proterus Uteri.
Prof. Mory thinks they are very well adapted for some varieties of incipient spinal distortions, as they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.
The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.
A gentleman observed a few days since, that he had been wearing a very celebrated body brace for some time, and that he would not give one of the above, for fifty such.

GUIDE TO CALIFORNIA.
What I saw in California; being the Journal of a Tour, by the Emigrant Route and Southern Pass of the Rocky Mountains, across the Continent of North America, the Great Desert Basin, and through California, in the years 1846 and 1847, by Edwin Bryant, late Alcalde of St. Francisco. Fourth Edition, with an Appendix, containing Accounts of the Cold Mines, various Routes, outfitting, &c. one volume 12mo. with a map.
This is an interesting and useful volume. It presents in an attractive form, a great body of information, concerning the interesting region which it describes, and is fitted to direct public attention to the resources and advantages of the vast Pacific territory which we have recently acquired. Regarded as a work descriptive of a very interesting and comparatively unexplored portion of our own territory, it can scarcely fail to entertain and instruct the general reader, while to the emigrant and the traveller towards the Pacific, it is indispensable.—WASS. TO THE AFFLICTED.
HADLOCK'S Vegetable Powder and Syrup, for the Diseases of the Lungs, Bronchitis, Liver Complaints, Coughs, Colds, &c.
This medicine has been before the public for twelve years, and as far as it is known, stands unrivalled as a remedy for the above named complaints—when used according to the directions. These dispensed to make a trial of it, are advised to use it from three to four weeks; and that without the omission of even one dose. Scarcely any thing short of this can be a fair trial of its efficacy. Numerous and surprising have been the cures performed by its use in CONSUMPTIVE and LIVER COMPLAINTS of long standing, and even highly aggravated cases of BRONCHITIS, have yielded to this powerful remedy.
As a MEDICINE FOR CHILDREN in cases of WHOOPING COUGH & INFLAMMATION OF THE LUNGS, it is UNSURPASSED by any other medicine. The liberal patronage bestowed upon it, has induced the Restorer of the Appetite. It is believed that more permanent cures have been made by its use than by any other article before the public.
