### IMPORTANT SALE OF Reclaimed Swamp Lands, In North Carolina.

THE President and Directors of the Literary Fund of North Carolina, in pursuance of certain Resolutions, passed at the last session of the General Assembly, offer for sale,  
**FIFTY THOUSAND ACRES**  
Of Swamp Lands,  
constituting a part of the Literary Fund of the State, situate in Hyde and Washington Counties, and embracing the region lying between Pamlico and Albemarle Sounds.

These lands have been drained at great expense, under the direction of competent Engineers, and laid off into Sections. The drainage has been effected by two main Canals, to-wit: Pungo Canal, extending from Pungo Lake to Pungo river, six and a half miles in length, with an average width at bottom of 22 feet, depth six feet and fall twelve feet—and Alligator Canal, from Alligator Lake to Pungo river, 6 miles long, with an average width at bottom of 30 feet, depth seven, and fall ten feet; together with sundry tributaries or lateral ditches. These Canals are sufficient for Bait-trout, and employing in the navigable waters of Pamlico Sound, their mouths are accessible to sea-going vessels.  
A large portion of this Land abounds in Juniper, Cypress and other valuable Timber, for which the forest of Eastern North Carolina is distinguished. The residue consists of Prairie, covered with the Cane and Gumbo, and in the estimation of the Engineers who surveyed it, the whole of it is extremely fertile.  
To Grain Farmers, and to the getters of Staves, Heading and Shingles, this land offers peculiar inducements.  
To Immigrants in the Ports of the United States, accustomed to a country similar in many respects, this Land offers a soil believed to be as fertile as any in the North-western States, with easy access to the Sea, and within three days' sail of New York. The Juniper water is pleasant, and the hands engaged during the last two Summers, in getting Shingles, have enjoyed excellent health.

### Time and place:

The Sale will take place in the Town of Washington, in Beaufort County, by Public Auction, commencing on Monday, the 21st day of May next, and will be superintended by the members of the Board, in person.

### Terms:

The Land will be sold in Sections of about 150 Acres, according to the Maps and Plates of the Engineers. A credit will be given of one, two, three and four years, to be paid in equal instalments, with interest from the day of sale.

### Turkey Road.

At the same time and place, the Board will receive Proposals for completing the Turkey Road from Pungo Lake to the Town of Plymouth.  
Given under my hand, at the Executive Office, in the City of Raleigh, this 6th day of March, A. D. 1849.

CHAS. MANLY,  
Governor of North Carolina,  
and ex officio Pres't of the Board.

### Dr. A. F. Cooper's Spino-Abdominal Supporters.

THE Subscriber has on hand a supply of the above valuable supporters, which are recommended for all persons afflicted with muscular debility, Round shoulders, or prolapus Uteri.  
Prof't. Morr thinks they are very well adapted for some varieties of "incipient spinal distortions, as they afford the useful combination of shoulder brace and Abdominal supporter, with very decided support to the spinal column.  
The above braces are recommended by the Physicians generally, who have seen them, and we have sold a number to citizens of this place, who are highly pleased with them.  
A gentleman ordered a few days since, that he had been wearing a very celebrated body brace for some time, and that he would not give one of the above, for fifty such.  
"They need no puffing as they speak for themselves."
